Chapter 19 Active Reading Guide **Descent with Modification**

As you study this chapter, read several paragraphs at a time to catch the flow of ideas and understand the reasoning that is being described. In some places, the text describes a narrative or story of events that led to Darwin's theory of evolution. Therefore, first read the narrative to absorb the big picture and then return to answer the few questions that accompany this material.

Overview

1. Define evolution broadly and then give a narrower definition, as discussed in the overview.

Section 1

This section takes a look at the historical setting and influences on Darwin, and it sets the stage for our formal study of evolution.

2. How did each of the following sources view the origin of species?
Aristotle and Scala Naturae:

The Old Testament:

Carolus Linnaeus:

3. Explain the role of fossils in rock strata as a window to life in earlier times.
4. How would Georges Cuvier have explained the appearance of the record of life shown in the rock strata?
