Auto Repair For Dummies Deanna Sclar, 1999-09-30 Most of us don't know the first thing about the machines we're licensed to drive and this can turn a ticket to freedom into a ticket to trouble. If you're like most people you probably tend to drive around until something goes wrong with the car. You then incur the expense of replacing worn and burnt out parts or the entire engine when low cost regular maintenance could have kept your wheels turning for a long time. *Auto Repair For Dummies* is indispensable for anyone who is tired of nodding and smiling at the incomprehensible mutterings of your mechanic only to end up shelling out money for repairs that you neither fully understand nor always need. This easy to understand guide is also for you if you don't have the vaguest idea of how a car works. Can't identify anything you see under the hood of your vehicle? Are tired of other people assuming, especially if you're a teenager or a woman that you aren't capable of handling repairs yourself? Don't want to feel helpless in an emergency? Are tired of being ripped off because of your own ignorance? This book shows you how your car works, what it needs in the way of tender loving care, and how to keep from being overcharged if you need to entrust repairs to someone else. *Auto Repair For Dummies* also gives you the scoop on these topics and more: What makes your vehicle go and how and why? A program of preventive medicine to avoid trouble. Shopping for tools and knowing how to use them. Diesel engines and alternatively powered cars. How to keep your car looking its best. Dealing with on road emergencies. Checking your tires, alignment and steering. By handling the simple maintenance and tune ups and being able to diagnose trouble and perform the less complex repairs yourself you'll save some serious money. Once you break the ice or crack open the hood the heady sense of power will carry you through basic car repair and maintenance with confidence and ease.

Automotive Engine Performance Ken Layne, 1986 **GM-Chevrolet - GEO Prizm, 1985-1993**, 1994 Total Car Care is the most complete step by step automotive repair manual you'll ever use. All repair procedures are supported by detailed specifications, exploded views and photographs. From the simplest repair procedure to the most complex, trust Chilton's Total Car Care to give you everything you need to do the job. Save time and money by doing it yourself with the confidence only a Chilton Repair Manual can provide.

Chilton's Cutlass, 1970-87, 1987 Total Car Care is the most complete step by step automotive repair manual you'll ever use. All repair procedures are supported by detailed specifications, exploded views and photographs. From the simplest repair procedure to the most complex, trust Chilton's Total Car Care to give you everything you need to do the job. Save time and money by doing it yourself with the confidence only a Chilton Repair Manual can provide.
