Australia and Canada in Afghanistan Jack Cunningham, William Maley, 2015-05-02 Following the attacks of September 11 2001 Australia and Canada joined the U S and other Western allies in attacking al Qaeda bases in Afghanistan In the book a stellar group of academic and political experts explore the Canadian and Australian experiences in Afghanistan **Canada in Afghanistan** Owen Schalk, 2023-08-29 How and why Canada went to war in Afghanistan what Canadians were doing on the ground and why the effort failed to achieve any of its aims military humanitarian or diplomatic Canadian leaders then and now claim great success for Canada s role in Afghanistan from 2003 to 2014 and beyond Though 151 Canadians were killed in combat the Canadian military played a key role in fighting the Taliban Canada built schools restored a major dam and advised a government on elections and economic development Yet within hours of the final withdrawal by US troops in 2021 the government collapsed The Taliban returned to power Why did Canada send our military to fight the Taliban and occupy Afghanistan Why was the mission a failure And why have Canadian governments failed to analyze the reasons for this failure In this book independent scholar Owen Schalk offers a history of Canada s role in Afghanistan He discusses why Canada s efforts and those of the US and others failed And he shows how the Canadian media did not report accurately on the war and misinformed the public during the war and afterwards Owen Schalk provides an incisive illuminating account of Canadian involvement in a war that cost lives and many billions It s a story that Canadian officials would prefer not be told **Report on Canada's Priority Number One in Afghanistan** Canada. Laura Grant, Benjamin Zyla, 2021-08-18 Canada s statebuilding efforts in Afghanistan are not well documented After fourteen years of significant investments in humanitarian causes there are still questions about the impact of these projects and whether they delivered as promised or fell short In Canada as Statebuilder Laura Grant and Benjamin Zyla analyze over one hundred and thirty Canadian led development projects in Afghanistan to illustrate that Canada has a limited capacity to effectively run humanitarian efforts in unstable insecure or inaccessible environments Canadian or Canadian sponsored development projects were ambitious and highly productive in terms of outputs in the short term especially in the areas of security women and gender health and education However when their outcomes and overall impact are assessed the authors argue Canada s record is less impressive Their analysis contributes to evidence based discussions of one of Canada s most important foreign policy activities in recent years Reflecting on Canada s engagement in Afghanistan Canada as Statebuilder asks whether Canadian peacekeeping efforts in the region were ultimately worth the economic and human resources invested **Canada's Mission in Afghanistan** Canada. the Canadian Mission in Afghanistan,2008 *How and Why States Defect from Contemporary Military Coalitions* Kathleen J. McInnis,2019-06-19 This book identifies contemporary military coalition defections builds a theoretical framework for understanding why coalition defection occurs and assesses its utility for both the scholarly and policy practitioner communities Drawing upon the author s own experiences managing the Afghanistan coalition for the Pentagon the volume builds a relevant policy and practical understanding of some of the key aspects of contemporary coalition warfare Ultimately it concludes that coalition defection is prompted by heightened perceptions of political and military risk Yet the choice of how to defect whether to completely withdraw forces or instead find another less risky way to participate is largely a function of international and alliance pressures to remain engaged Report of the Department of Trade and Commerce of Canada ...
