Chapter 11 Study Guide-Answer Key

1. Define the following terms:

Term	Definition
inauguration	A formal ceremony to mark the beginning of a president's term of office
excise tax	A tax on the production or sale of a product
aliens	People who have come from other countries and are not yet citizens
sedition	The crime of encouraging rebellion against the government
nullify	To refuse to recognize a federal law. This action by a state is called nullification

2. Washington's executive branch

Department	Purpose
Department of State	Handle relations with other countries
Department of War	Defend the nation
Treasury Department	Oversee the nation's finances

3. What was the Whiskey Rebellion?

In order to raise money for the government, an excise tax was placed on luxury goods like whiskey. Western farmers complained that it made their whiskey too expensive and refused to pay the tax. The tax was lowered, but the "Whiskey Boys" still refused to pay it. In response Washington sent in 13,000 state militia to crush the rebels and the rebellion ended.

4. How did Washington see the Whiskey Rebellion?

As a threat to the authority of the national government

Study Guide for Introduction to Maternity and Pediatric Nursing - E-Book Gloria Leifer, 2015-01-29 Leifer's Study Guide for Introduction to Maternity and Pediatric Nursing is a rich resource that enhances your comprehension and application of material from every chapter of the textbook. With a variety of learning activities, critical thinking exercises, case studies, and review questions, this study guide reinforces your mastery of the essential maternity and pediatric nursing concepts and skills you need to pass the NCLEX PN Examination and succeed in your nursing career. NCLEX exam style multiple choice review questions at the end of each chapter test basic chapter knowledge as well as ask for appropriate nursing actions, what the nurse should expect in terms of medical care of the patient, and what complications the patient is at risk of developing. Case Studies and Applying Knowledge activities provide additional opportunities to apply learned information to clinical care. Thinking Critically activities require you to apply what you've learned in the textbook to new situations and draw conclusions based on that knowledge. Learning activities include matching, labeling, and completion exercises to help you learn basic concepts of maternity and pediatric nursing. Crossword puzzles in selected chapters are a nice way to change up the format when testing comprehension of terms and concepts. Answer key is located on the student's Evolve website. Several Thinking Critically sections and case studies with critical thinking questions have been added. Alternate item format questions are included in the review questions for the NCLEX Examination.
