

Guided Reading & Analysis: Reconstruction, 1863-1877

Chapter 15- *Reconstruction* pp 291-304

Reading Assignment:

Ch. 15 AMSCO; if you do not have the AMSCO text, use chapter 22 of *American Pageant* and/or online resources such as the website, podcast, crash course video, chapter outlines, Hippocampus, etc..

Purpose:

This guide is not only a place to record notes as you read, but also to provide a place and structure for reflections and analysis using your noggin (thinking skills) with new knowledge gained from the reading. This guide, if **THOUGHTFULLY** completed in its entirety **EOY (Beginning of Period)** by the due date, can be used on the corresponding quiz as well as earn up to 10 bonus points. In addition, completed guides provide the student with the ability to correct a quiz for ½ points back! The benefits of such activities, however, go far beyond quiz help and bonus points. ☺

Mastery of the course and AP exam merit all who choose to process the information as they read/review.

This is an optional assignment. So...young/old... what is your choice? Do? Or do not? There is no try.

Directions:

- Pre-Read:** Read the prompts/questions within this guide before you read the chapter.
- Skim:** Flip through the chapter and note titles and subtitles. Look at images and read captions. Get a feel for the content you are about to read.
- Read/Analyze:** Read the chapter. If you have your own copy of AMSCO, **highlight key events and people as you read**. Remember, the goal is not to "fish" for a specific answer(s) to reading guide questions, but to **consider questions in order to critically understand what you read**.
- Write** (do not type) your notes and analysis in the spaces provided. Complete it in **INK!**

Key Concepts FOR PERIOD 5:

Main Idea: As the nation expanded and its population grew, regional tensions, especially over slavery, led to a civil war — the course and aftermath of which transformed American society.

Key Concept 5.1: The United States became more connected with the world as it pursued an expansionist foreign policy in the Western Hemisphere and emerged as the destination for many migrants from other countries.

Key Concept 5.2: Intensified by expansion and deepening regional divisions, debates over slavery and other economic, cultural, and political issues led the nation into civil war.

Key Concept 5.3: The Union victory in the Civil War and the contested Reconstruction of the South settled the issues of slavery and secession, but left unresolved many questions about the power of the federal government and citizenship rights.

Bishop Butler and Logic, Love, and the Pursuit of Happiness in the Age of Unreason David White, Michael J. Maranda, 2021-11-29 Using ordinary language and appealing to the acknowledged facts of experience Bishop Butler presented a guidebook on how to live in pursuit of happiness and the benefit of all This book introduces readers to Butler's philosophy as a whole and to the primary texts in his own words Butler was an advocate and consistently defended the Church of England and its associated morality and theology in all his works He insisted on the necessity of having good reasons to support any belief or practice toward which one was attracted Butler's ideas are presented here as a good fit with the full range of theistic piety and with the varieties of ethical atheism The imposition of dogma and the exposition of bias are discarded as distractive from the search for truth The life sources works and reception of Bishop Butler serve as a bridge or navigational aid joining the wisdom of the ancients sacred and secular with our experience as moderns and with our expectations for future generations Since Butler insists on grounding his views in evidence and argumentation his appeal extends well beyond the Anglican Communion Butler's clarity of expression and cogency of argumentation free him from the

bias associated with philosophical and religious thought His work remains critical of and receptive to a wide range of ways to carry on the business of living a human life without falling into the kind of error and distraction most likely to lead to misery
