

The book cover features a central illustration of a young woman with long, flowing dark hair, wearing a black leather jacket and black pants. She is standing with her arms outstretched, palms facing down, as if she is controlling or releasing a powerful force. Behind her is a large, glowing clock face with Roman numerals, set against a dark, starry night sky. The clock face is surrounded by a ring of golden light and small white birds. In the background, a clock tower is visible. The overall color palette is dominated by deep blues, blacks, and golden yellows.

Demigods English Edition:

An Encyclopaedia of Hindu Deities, Demi-gods, Godlings, Demons, and Heroes Fredrick W. Bunce, 2000 **NBS#78**
Braj Sunder Das, The different demigods like Ganesha and Durga that are mentioned in reference to worship of the Lord's abode and associates are the eternal associates of the Lord in Vaikuntha like Visvakshena and others. Therefore they are not like the Ganesha and Durga of the material world. Demigods like Ganesha and Durga born of the material energy are different from them. The illusory external energy has no jurisdiction in Vaikuntha so what can be said of qualities like lust and greed. That is why those forms of Ganesha and others are manifest from the spiritual energy of the Lord. The mundane Durga is a portion of Yogamaya and hence under her control. This spiritual energy Yogamaya has engaged Durga of the material world as her maidservant and entrusted her with the service of protecting mantras not as the predominating deity of service.
