

IAS 12 – INCOME TAX

IAS 12 – Income Tax

Taxation

Current tax

- the amount payable to the tax authorities in relation to the trading activities of the current period

Deferred tax

an accounting measure used to match the tax effects of transactions with their accounting treatment. It is not a tax that is levied by the government that needs to be paid, but simply an application of the accruals concept.

Tax expense

= current tax +/- movement in deferred tax

Deloitte Ias 12 Tax Accounting Guide

David Procházka

Deloitte Ias 12 Tax Accounting Guide:

Tax Reporting on Effective Tax Rate (IAS 12) Eva Frehner, 2024-09-30 In recent years tax reporting on the effective tax rate ETR of multinational enterprises has been widely debated Annual reports presenting low ETRs created the impression that enterprises did not pay enough taxes compared to individuals or small and medium sized businesses Such financial reporting disclosures led to ongoing discussions about the suitability of the existing international tax system and gave rise to several global tax reforms initiated by the OECD This study analyses the level of compliance with internationally applied best practice for tax reporting on the ETR under the IAS 12 in annual reports based on content analysis scores It studies the correlations between the extent of compliance with tax reporting best practice and ETR values market capitalisation level of internationalisation industry and auditor The author combines the empirical research with a normative approach and thus takes an inside out perspective The normative analysis interprets IAS 12 paragraphs in light of Swiss national and international tax law Furthermore the book discusses the impact of the OECD Global Minimum Tax Reform on tax disclosures and argues that the international tax reform will further increase the complexity of tax reporting

Regulation of Finance and Accounting David Procházka, 2022-10-27 This edition provides a mix of research perspectives to examine the economic and non economic outcomes of global developments in financial regulation monetary and fiscal measures or sustainable development with a tailored focus on specifics in emerging and transitioning countries The volume combines a mix of approaches to investigate relevant newly emerged topics e g economics of emissions corporate social responsibility reporting as well as traditional issues requiring new approaches e g exchange rate mechanisms investment strategies the impact of corporate reporting on economic fundamentals Such a comprehensive view of contemporary economic phenomena makes the volume attractive not only to academia but also to regulators and policymakers when deliberating on the potential outcomes of competing regulatory mechanisms
