He must trust his mate to unveil her true self and sever Lucifer's hold. Bound By Darkness. He took her mother's life. Now she wants his. An angel warrior is never supposed to disobey a command, but that is exactly what Lyzander did. Twenty years ago, he spared a little girl's life while his brethren murdered her family. Now he finds himself a captive in the worst place an angel can be: The pits of Hell. No one is coming to save him until a mysterious female shows up wanting to make a deal. Kelana hid under the bed while her mother and grandmother were murdered. Left an orphan, the half-human, half-succubus had to learn how to wield a blade: fast or die in Hell. Now grown, she seeks the archangel who was responsible for her family's death so she can cut out his beating heart. But her journey for revenge puts her back on her father's radar, and he still wants her dead.

Unleash The Darkness. He is everything dark in the world. She is his light, but when she goes missing, He will make even the most evil beg for mercy. Being a reaper means Sephtis is bound to both Heaven and Hell. When he is called upon to escort the damned, he unleashes a power even demons fear. It's only his mate, Evangeline, that keeps him from embracing his darkness, and he will do anything to keep her safe. The day Evangeline mated Sephtis, she became a guardian angel. It has been a life filled with everything good in the world until she makes a vow to a dying woman. Disobeying her mate, she tries to fulfill her promise but finds herself pulled into a hell of her own.

Surrender To Darkness. He is a fallen. She thinks him beneath her. Sometimes it's the bad boy who saves you. Cade is a fallen angel who endeavors to follow the right path. That is until the angels' ruling body decides the warrior is the perfect match to carry out their new assignment. Schooling the young snobbish Abigail in the art of demon fighting is a challenge he could do without. The female tests him at every turn yet tempts him to show just how bad he can really be. When Abigail is summoned by the Tribunal, she is beyond eager to finally take her place among the angels. With her eye on an elite warrior for her mate, she is determined to make him hers. But when the nephilim is thrust into a mission with a fallen angel, she is mortified. Cade is everything dark and bad, but she quickly learns the line between good and evil is very misleading.

Tempted By Darkness. His last mission left him broken. Now his past has come back to haunt him. Tegan is an elite archangel, so commanding armies and ordering deaths is everyday business to him. When he's handed a mission to gather intel on an emerging species, he finds his beautiful young partner a challenge he's not sure he can handle. She stirs desires he has avoided for decades, and it forces him to confront a past he thought he had left behind. Rhea has lived her entire life watching the mortal realm through a looking glass. It entices her, and when she is offered a mission to go there, the innocent angel jumps at the chance. There's just one catch: Higher powers want Tegan's son, and it's her job to seduce the archangel.
