## **Economics Grade 12 November Question Paper 2013:**

Social Policy in Times of Austerity Kevin Farnsworth,Zoë Irving,2015-09-15 The 2008 global economic crisis was unprecedented in living memory and its impact on economic and social life immense Large scale social policy interventions played a crucial role in helping to mediate the crisis and yet the welfare state continues to come under attack A new age of austerity based more on politics than economics is threatening to undermine the very foundations of the welfare state However as this important book illustrates there is still room for optimism resistance to the logic of austerity exists within organisations and governments and among peoples demonstrating how essential social policies remain to human progress The second of a three book series covering the post 2008 global economic crisis and the period of austerity this volume draws together edited chapters from leading scholars engaged in the debate and will be equally suitable for academics and other researchers studying international and comparative social policy as well as upper level undergraduate and postgraduate students

Home economics Sacha Hepburn,2022-08-16 Domestic service has long been one of the largest forms of urban employment across southern Africa Home economics provides the first comprehensive history of this essential sector in the decades following independence and the end of apartheid Focusing on Lusaka and drawing wider comparisons the book traces how Black workers and employers adapted existing models of domestic service as part of broader responses to changing gendered employment patterns economic decline and endemic poverty It reveals how kin based domestic service gradually displaced wage labour and how women and girl workers came to dominate kin based and waged domestic service with profound consequences for labour regulation and worker organising Theoretically innovative and empirically rich the book provides essential insights into debates about gender work and urban economies that are critical to understanding southern Africa s post colonial and post apartheid history

Politics of the Global Economic Crisis Sreeram Chaulia,2014-03-21 A crucial commentary on the worst global economic crisis since the Great Depression this book argues for Three Rs Regulation Responsibility and Radicalism i e state regulation of finance state responsibility towards society and radical social movements to fight for economic justice It will interest scholars and researchers in international political economy politics international relations and economics as also policymakers and the informed general reader
