British Values

The term Fundamental British Values is used to describe values, and societal expectations of everyone. They are British because they are part of British Law and legislation because they could be described as positive human values as you will see when we explore each of them.

Rule of law

We have rules here in the primary workplace. Can you name any?

Actual respect

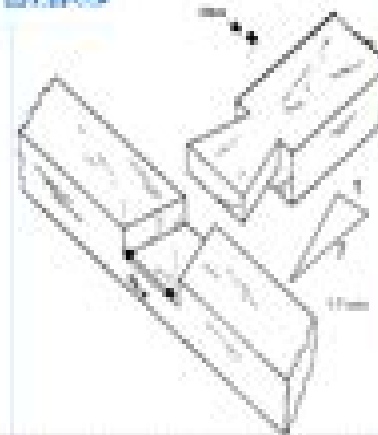

I all have the right to be treated with dignity and respect. We give your feedback a fair and realistic standard.

Dovetail Halving

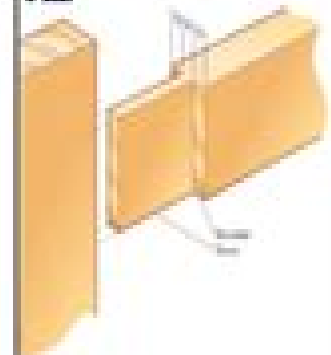

The dovetail halving joint is often used in the construction of roof trusses.

It is used as the only method to join two beams of the same size of wood at right angles.

Mortice and Tenon Joint

Mortice joints used for joining window frames in the form of a large range of mortice and tenon joints and angles of tenon joints are used.

A pin is applied before the joint is pushed together to hold the joint firmly together, usually for 10%.
