Public Righteousness Abimbola A. Adelakun,2023-05-25 Public Righteousness The Performative Ethics of Human Flourishing is driven by the idea that part of what manifests as a disorderly display of virtue in public culture is underlined by the desire to see a more righteous society and an expression of the will to enact such an ideal world into reality This book re structures the ferment of such public displays and fashions an ethic that overturns the ostentatious signals of self righteousness and the fierce contest of animating visions This book engages the work of social ethicist Nimi Wariboko to explore an idea of public righteousness In place of smug superiority and phony pieties the performative ethics that inaugurate this public righteousness offer an intellectual and moral competence that establishes rectitude and culminates in human flourishing

Africa's Social and Religious Quest Randee Ijatuyi-Morphé,2014-01-30 This well crafted book probes the key dimensions of Africa s existential predicament It constitutes an intellectual response to a gnawing African situation the starting point for grasping Africa s social and religious quest Beyond split explanations of external versus internal factors e g colonization slavery vs leadership cultural values this study accounts more comprehensively for emergent issues shaping this situation The situation reflects a gamut of problems in traditional African religion and material culture which hitherto defines African communality polities and destinies vis vis the cosmos and nature Thus African religion and communities each with its own attendant values do not operate by critical engagement with larger issues of society and civilization especially those shaped by the advent of post modernity Rather they operate via adaptation The communal drive for natural and social harmony inevitably produces a preservationist view of culture leaving things as they are This study takes an integrative approach to religion society and civilization eschews dichotomies and broadly defines and re signifies life and wholeness as a true end of Africans quest today

The Prosperity Gospel in Africa Marius Nel,2020-06-15 Africans prevailing interest in the prosperity gospel is not only connected to the influence of American prosperity teachers reaching a worldwide audience through their imaginative use of the media but is also related to the African worldview and African traditional religion and its lasting influence on contemporary Africans and the way they think about prosperity as well as their interest in prosperity in post colonial Africa The research from a classical Pentecostal perspective about the impact of the prosperity message on Africa is necessary

timely and relevant because of its influence in the African Pentecostal movement and its potential to harm the faith of believers leading to the potential disillusionment of Christian believers who put their trust and money in formulas and recipes that seemingly only work for others especially the prosperity leaders who lead by example with incredulous riches and wealth

Agina, 2010 When I left Nigeria as a boy for the USA in search of the proverbial greener pastures there was Christianity and there was the African Culture in Nigeria both of which I had grown up in Christianity fed me with the word of God while my African Culture made me desirably and proudly different from a white man an Indian Mexican or Asian That was many years ago in the mid 1900s Today when I visit my little remote African village to enjoy some of the cultural values that I have missed so much while in the western world my brethren in the village tell me that the culture is no more Indeed the entire Christian community of Nigeria seems to be heading towards the notion that the African Culture is suddenly out of fashion The people's excuse is that they have seen the light in their new wave Christianity Some traditionalists are not taking the culture abuse lying down and with their fire for fire response to the Christian zealots there is truly a war of cultures in Nigeria I am right in the middle of it and this is my story I must prepare my reader's mind for my general hardnosed criticism of Nigerian Commercial Church in this story I lament that too many Christians are willfully making mischief and a whole lot of money all in the name of God I am a devout Christian and would never advertently say one bad word against Christianity or any religion for that matter My grouse is with the growing number of mischievous funky pastors their zombie like followers their gross misinterpretation of the Holy Bible and the war that they

have declared against the African Culture One might even say that my criticism is venomous but I call it brutally frank or frankly brutal **Multidisciplinary Explorations of Corohysteria Caused by the COVID-2019 Pandemic** Abdul Karim

Second Coming Christopher Love,C. Matthew McMahon,2016-12-05 Christopher Love 1618 1651 was a fiery and practical Puritan preacher Christopher Love harvests sweet biblical honey from the word of God concerning the ascension of Jesus Christ and the coming of Christ again to judgment Though Love carefully refutes the 1000 year earthly millennial reign of Christ and the idea of soul sleep he is more focused on demonstrating the benefits of Christ s ascension and second coming His main text is John 14 3 And if I go and prepare a place for you I will come again and receive you unto myself that where I am there ye may be also Christ s ascension is a ground of great comfort and great advantage to all his people while they dwell here on earth Practically no Christian should be afraid to die because your Christ is in heaven and when you die as Love says death is but a trapdoor to let you into endless joy where Christ is The benefits of Christ s coming to judgment is his second topic as much of an unpopular idea as judgment may be Love says that the benefit of Christ s coming is the particular point Christ means when he says and receive you to myself So if the Spirit that raised up Christ from the dead dwells in you and you have the graces of the Spirit that same Spirit shall quicken your mortal bodies Therefore the bodies of the elect shall be raised from the dead and received into glory with the soul when Christ returns This is an exceedingly comforting thought for believers Christ at his second coming receives his elect to himself in body and soul that they might be forever present where Jesus Christ is in heaven which is Christ s exhortation to believers that where I am there you may be also That is they are with Christ in heaven for eternity This work is not a scan or facsimile has been carefully transcribed by hand being made easy to read in modern English and has an active table of contents for electronic versions *Beyond Prophetic* Chris Wren
