

Democracy in America

Author

Alexis de Tocqueville

Years Published

1835, 1840

Original Language

French

CONTEXT

A Foreigner's View of America

Intent on exploring the American “democratic experiment,” Tocqueville traveled to the United States in 1831. The French aristocrat met with leaders and ordinary people during his trip, all the while writing down his observations. The result of his efforts is an insightful study of the unique and troublesome aspects of American society.

Democracy In America Study Guide

Democracy In America Study Guide:

An Analysis of Alexis de Tocqueville's Democracy in America Elizabeth Morrow, 2017-07-05 Alexis de Tocqueville's 1838 *Democracy in America* is a classic of political theory and of the problem solving skills central to putting forward political ideas. Problem solving has several aspects: identifying problems, finding methodologies to deal with them, and applying the right criteria to work out how to solve them. Indeed, offering solutions is only the last stage in a developed process of problem solving. For Tocqueville, the problem at hand was how best to run a democratic state. In the early 19th century, it seemed clear that Europe was headed in the direction of democracy, but in the wake of the French Revolution, it was unclear how to avoid the many pitfalls on that road. Tocqueville therefore turned to America, then the most established democracy in the world, to investigate the institutions that allowed it to run as a successful state, allowing people their say while preventing both the possible tyranny of the majority and the uncontrolled growth of government. Tocqueville's careful analysis of the strengths of American democracy was then applied to the problems of instituting democracy in France, providing a range of solutions that proved deeply influential in European political thought. Resources in Education, 1996-04. *Study Guide for Understanding American Government I* United States Armed Forces Institute, 1959. Catalog of Copyright Entries. Third Series Library of Congress. Copyright Office, 1979. *Study Guide : The Challenge of Democracy* Melissa A. Butler, Jeffrey M. Berry, Jerry Goldman, Earl Huff, 1994. **Americas: Study Guide** Bernadette M. Orr, Bárbara Cruz, 1993. The study guide bridges all course components and lists the learning objectives of each of the course units. Each chapter corresponds directly to one of the 13 course units. The first two chapters provide essential background on the series themes, including general history and geography. The succeeding 10 chapters follow the progression of the television series, expanding on the material covered in the programs and providing cross references for textbook assignments. The final unit sums up the main points presented in the television course and reviews students' knowledge. Each chapter of the study guide begins with a brief unit summary followed by a list of critical thinking questions that address the learning objectives and an overview that integrates the program with the readings. In addition, each study guide chapter includes a glossary of key English, Spanish, and Portuguese words with pronunciations, learning objectives, self-test questions, and references to books, films, and other activities. **A Guide to Readings in Civic Education ...** Olive Thompson Cowell, 1924. *Constitutional Democracy in America* Dunn, 1998-03-21. **Catalog of Copyright Entries.
