Demystifying The Meese Rogoff Puzzle:

Demystifying the Meese-Rogoff Puzzle I. Moosa, K. Burns, 2014-12-17 For the past 30 years international monetary economists have believed that exchange rate models cannot outperform the random walk in out of sample forecasting as a result of the 1983 paper written by Richard Meese and Kenneth Rogoff Marking the culmination of their extensive research into the Meese Rogoff puzzle Moosa and Burns challenge the orthodoxy by demonstrating that the naive random walk model can be outperformed by exchange rate models when forecasting accuracy is measured by metrics that do not rely exclusively on the magnitude of forecasting error The authors present compelling evidence supported by their own measure the adjusted root mean square error to finally solve the Meese Rogoff puzzle and provide a new alternative Demystifying the Meese Rogoff Puzzle will appeal to academics with an interest in exchange rate economics and international monetary economics It will also be a useful resource for central banks and financial institutions [Shin Kanemaru and the Tragedy of Japan's Political System](#) U. Kruze, 2015-01-28 Shin Kanemaru 1914 1996 served as a key power broker at the national level in Japan from the 1970s until the early 1990s He was at the heart of the 1955 system of conservative political rule Though never Prime Minister himself he controlled or strongly influenced the administrations of five Japanese Prime Ministers **Public Choice Economics and the Salem Witchcraft Hysteria** Franklin G. Mixon, Jr., 2015-01-12 Public Choice Economics and the Salem Witchcraft Hysteria provides an economics perspective on the witchcraft episode and adds to the growing body of work analyzing prominent historical events using the tools of economics **Places of Memory** K. Digan, 2014-12-22 Places of Memory examines the post war history of the site where the 1942 Wannsee Conference was held The author analyses the different uses of the house to investigate how a site turns into a site of memory **Youth Practices in Digital Arts and New Media: Learning in Formal and Informal Settings** J. Black, J. Castro, C. Lin, 2015-02-22 The authors examine youths practices in digital culture affecting social change pedagogy and creative learning practices Knowledge about these practices is discussed in which learning knowledge sharing distinct social contexts pedagogical relationships and artistic creative inquiry are examined in diverse formal and informal environments **Risk and Trading on London's Alternative Investment Market** J. Board, A. Dufour, Y. Hartavi, C. Sutcliffe, 2015-01-27 The alternative investment market AIM has seen rapid growth over its 19 years and has emerged as the market of choice for smaller newer companies both in the UK and abroad However it has often had a volatile reputation among investors who have commonly perceived stock in the AIM as more risky than the main market In this book a group of leading financial analysts conduct an extensive empirical study to compare the relative volatility of two UK equity markets run by the London Stock Exchange over a ten year period They analyse the comparative risks involved in the alternative investment market the market of growing companies and the main market the market for more established companies This book analyses the volatility of the alternative investment market using a variety of techniques and approaches It compares the volatility of stocks in the markets exploring variables such as

size industry age and market switches Using refined methods to focus on the difference between the markets the authors provide a convincing study to challenge the idea that the alternative investment market is higher risk than the main market

The Economics of the Audiovisual Industry: Financing TV, Film and Web Mario La Torre, 2016-12-23 This book is open access under a CC BY licence Recent reductions in public funding for audiovisual products have led to dramatic changes in the industry The lack of interaction between the industry and capital markets has made sourcing funds for audiovisual products especially difficult This book explains why the distance between the audiovisual and financial markets exists and considers the perspective of both audiovisual companies and financial intermediaries Providing a thorough overview of the audiovisual industry in three major categories television cinema and web it analyses the financing behind each The author adapts the traditional assessment methods to include exploitation rights distribution deals and risk determinants he also proposes a pricing model for the audiovisual products demonstrating that prices and values in a industry of prototype goods do not depend solely on cost and revenue The book also includes a methodology for analysing the economics of the sector the different sales agreements between broadcasters and the distribution deals between distributors and independent producers Finally a description of the main financial products for private finance is provided as well as an explanation of how public funds can act as leverage to catalyze private resources through the use of guarantee funds In *The Economics of the Audiovisual Industry* the author suggests that rather than relying on subsidized public support the audiovisual industry should foster private public partnerships and market dynamics to promote an alternative funding model based on a profitable and long lasting connection between the audiovisual and financial markets The valuation model both for products and firms proposed in this book are at the basis of this new approach

Econometrics as a Con Art Imad A. Moosa, 2017-07-28 Imad Moosa challenges convention with this comprehensive and compelling critique of econometrics condemning the common practices of misapplied statistical methods in both economics and finance
