Broken Manual Alec Soth:

Broken Manual Lester B. Morrison, Alec Soth, 2013-10-15 Created over four years 2006-2010 Alec Soth's newest book represents a significant departure from his three previous Steidl publications. Entitled *Broken Manual*, Soth investigates the places in which people retreat to escape civilization. Soth photographs monks, survivalists, hermits, and runaways, but this isn't a conventional documentary book on life off the grid. Instead, working with the writer Lester B. Morrison, the authors have created an underground instruction manual for those looking to escape their lives. *Potluck Supper with Meeting to Follow* Andy Sturdevant, 2013-10-01 Keepsake guidebook and wunderkammer of enthusiasms. Sturdevant's essays offer new ways of thinking about urban spaces and the contemporary Midwest. *Perspectives on Place* J.A.P. Alexander, 2020-12-01 *Perspectives on Place* provides an inspiring insight into the territory of landscape photography. Using a range of historic and contemporary examples, Alexander explores the rich and diverse history of landscape photography and the many ways in which contemporary photographers engage with the landscape and their surroundings. Bridging theory and practice, this book demonstrates how mastering a variety of different photographic techniques can help you communicate ideas, explore themes, and develop more abstract concepts. With practical guidance on everything from effective composition to managing challenging lighting conditions and working with different lenses and formats, you'll be able to build your own varied and creative portfolio. Each chapter concludes with discussion questions and an assignment encouraging you to explore key concepts and apply different photographic techniques to your own practice. Richly illustrated with images from some of the world's most influential photographers, *Perspectives on Place* will help you to explore the visual qualities of your images and represent your surroundings more meaningfully. **Somewhere to Disappear** Laure Flammarion, 2012 *Somewhere to disappear* is a 57-minute documentary in which Alec Soth is the hero. For his project *Broken Manual*, Alec undertakes to write a guide that will provide the basic tips on how to disappear in America. <http://www.somewheretodisappearthefilm.com> You Are an Artist Sarah Urist Green, 2020-04-14 There are more than 50 creative prompts for the artist or artist at heart to explore.
