Cosmic Defiance David Crowe,2014 John Updike once wrote that many of his works are illustrations of Kierkegaard and yet no current study provides an extended convincing reason why this is so why Updike came to live by Sren Kierkegaard s ideas This study does telling the story of Updike s life altering encounter with Fear and Trembling in his early career and tracing the subsequent evolution of Updike s complex and coherent theology Examining Updike s many claims about Kierkegaard s life and work and casting those claims into debate with Kierkegaard s best scholars and critics this book explains why Kierkegaard and his intellectual inheritors Karl Barth and Miguel de Unamuno provided Updike with a reason to live and a vocation as an antinomian Christian writer The study pursues the same question Updike did how are identity and action bound up with faith in God The eighteen intensely autobiographical Maples stories epitomize the theological preoccupations Updike learned from Kierkegaard

**Too Far to Go** John Updike,2012-09-18 The Maples stories trace the decline and fall of a marriage writes the author in his Foreword a marriage that is threatened early on by the temptations of infidelity Snowing in Greenwich Village and that ends in a midlife divorce Here Come the Maples They also illumine a history in many ways happy of growing children and a million mundane moments shared That all blessings are mixed and fleeting does not make them less real and if temporality is held to be invalidating then nothing real succeeds A tribe segregated in a valley develops an accent then a dialect and then a language all its own so does a couple Let this collection preserve one particular dead tongue no easier to parse than Latin

**The Maples Stories** John Updike,2014-12

**The Sickness Unto Death. Illustrated** Soren Kierkegaard,2025-05-05 Soren Kierkegaard was a Danish philosopher theologian and religious author interested in human psychology He is regarded as a leading pioneer of existentialism and one of the greatest philosophers of the 19th Century

**Parables of Kierkegaard** Søren Kierkegaard,1989-09-21 The mind of

Kierkegaard has been kept alive in the common memory more by his parables than any other part of his authorship. Like all good parables they have developed an oral tradition. Do not be surprised if you find here parables that you have heard imperfectly retold or partially revised. Now the reader can track down the original.     The Lily of the Field and the Bird of the Air Søren Kierkegaard, 2016-03-01 A masterful new translation of one of Kierkegaard's most engaging works. In the Sermon on the Mount Jesus tells his followers to let go of earthly concerns by considering the lilies of the field and the birds of the air. Søren Kierkegaard's short masterpiece on this famous gospel passage draws out its vital lessons for readers in a rapidly modernizing and secularizing world. Trenchant, brilliant and written in stunningly lucid prose, *The Lily of the Field and the Bird of the Air* 1849 is one of Kierkegaard's most important books. Presented here in a fresh new translation with an informative introduction, this profound yet accessible work serves as an ideal entrance to an essential modern thinker. *The Lily of the Field and the Bird of the Air* reveals a less familiar but deeply appealing side of the father of existentialism, unshorn of his complexity and subtlety yet supremely approachable. As Kierkegaard later wrote of the book: "Without fighting with anybody and without speaking about myself I said much of what needs to be said but movingly, mildly, upliftingly." This masterful edition introduces one of Kierkegaard's most engaging and inspiring works to a new generation of readers.     *The Crowd is Untruth*, 1996     **The Crowd Is Untruth** Søren Kierkegaard, 2017-12-02 In this text, philosopher and theologian Søren Kierkegaard explores the effects of the crowd on the single individual and explains how, according to 1 Corinthians 9:24, all eternal truth is a matter of individual effort.
