Management and Cost Accounting Colin Drury, 1996 The market leading

European text on management accounting and comprehensive authority on all aspects of the subject has been streamlined and substantially redesigned in its 6th edition to make it even more suitable for the needs of today's student The aim of the new edition is to explain the principles involved in the design and evaluation of management and cost accounting information systems The emphasis in the book is on management accounting systems that will be used for internal decision making purposes within an organisation however cost accounting systems for external reporting are also comprehensively covered It has been brought up to date with the latest developments in the subject Having been made stronger pedagogically with the addition of the answers to the questions and more real world mini cases the text brings home the relevance of the subject matter to the real world of business **Cost and Management Accounting** Colin Drury, 2006 The aim of this established

and best selling textbook is to provide an introduction to the theory and practice of cost and management accounting The book is intended primarily for accounting students who are pursuing a one or two semester basic introductory cost and management accounting course It covers the basic topics needed on an introductory course in management accounting This book is a companion volume to Management and Cost Accounting which includes more advanced topics not suitable for introductory courses Overall the book is a rigorous clear and easy to understand introduction to cost and management accounting with a tried and tested successful format that has enabled literally thousands of students to pass their exams The book has an accompanying Student's Manual which is an optional purchase for students It contains answers to Review Problems in the white tinted text boxes The book stands entirely on its own without the Student's Manual There is also a hard copy Instructor's manual available There is a Companion Website where tutors can download the Student's manual and Instructor's Manual as well as other resources *BNDL MANAGEMENT and COST ACCOUNTING STUDENT MANUAL*
