hours of your time Here s why I ve read the others Almost every book was someone telling their own personal rags to riches tale That s admirable but the likelihood that it s even close to you and your personal situation is quite remote What worked for them will probably not work for you Everyone is different every situation is unique Some assume their readers all want to be mega rich In my experience most people just want to be happy without money stress and have a good fun comfortable life That said if you want to be rich I ll show you how to do that too So get to the point Bill why this one Because this book is based on my experience as a financial counselor investment advisor and financial planner This book is a user manual for your money No matter who you are there is plenty for you We cover FIRE Financial Independence Retire Early This book is the way to financial peace to relieving the number one stressor in our lives and relationships It s the guide to living every day on your own terms and never having to go to a job you no longer love of never having to miss those important life events because work I ll keep it short and simple just the way your personal finances should be The first word of the title is no coincidence KISS also means Keep It Simple Silly Maybe I ll even make you laugh once or twice Your household is a mini business only you measure success in happy not some corporate financial metric I m not going to guilt trip you about buying a latte I m going to convince you that doing the right things now getting over the hump in a short period means buying all the lattes and new cars you want with cash not credit for the rest of your life Those lattes will taste so much better and you ll enjoy the ride more in a car you own not the bank You ll watch the former car payment money grow like weeds in your investment accounts Can you trust me Yes you can I ve helped countless people and I want you to do well I want you to be happy and enjoy this one life we get as far as we know This book is for you This is generational knowledge for your kids and parents Who am I When I was a kid I was a huge superhero fan I d sit in the corner luncheonette and read comic books on my way home from school until the owner would throw me out I didn t have the money to buy them my parents didn t have the money to give me I d peek out from my bedroom at night and see my mother stressing out over a kitchen table full of bills writing out checks and stuffing them in envelopes Kiss your money goodbye I heard more than once hence my title I watched my father come home from work exhausted especially as he got older I didn t want to be the superhero who could fly be invisible shoot lasers out of my eyes or swing from building to building on spider webs I wanted to be the kind that could help people like my parents That s where the title of this book came from Instead of paying your hard earned money out to everyone under the sun watching each paycheck or retirement distribution fly away you re going to welcome it back Hello hard earned money Let s have some fun together I became that superhero and I believe I still am Let s get this party started

Christmas Sucks Joanne Kimes, 2008-09-17 These days Christmas lights adorn front porches before the Thanksgiving turkey is even in the oven Plane tickets to visit hardly missed relatives cost more than the suitcase full of presents people have to lug across the country And radios everywhere play songs about that fat guy in a red suit on an endless loop Yes it s official Christmas Sucks This title is a humorous look at America s commercialization of the Christmas holiday season and the
