

The information below is to help you format and structure the **fourth** section of the NEA (coursework). Please note that you should use your own wording as much as possible and research online for as much information as possible. Lastly, you must read the exemplar PDF to support your understanding.

### [Analysis - Section 4 - Exemplar.pdf](#)

#### **Section 4: Skill Weakness**

**AO1** - Knowledge, **AO2** - Application, **AO3** - Analysis/Justification

#### **Paragraph 1: Identify your skill weakness (AO1)**

This paragraph must be written in the **first-person** point of view and is very short (see exemplar). However, the research that will go into selecting your **skill weakness** will require a lot of thought. Get it wrong and you'll struggle to analyse with sufficient depth so **take your time**. I.e. if you're a WA in netball, then you wouldn't choose shooting as your weakness because it's not relevant to your position.

1. First provide a definition of the term skill or tactic in your own words.
  - a. Then list the skills or tactics involved in your chosen sport. Use the attached document to list them: [Skill/Tactic - Strength and Weakness](#).
  - b. For your analysis you can pick skill (left column) or tactic (right column). **Please note that it is easier to analyse a skill.**
2. Review your performance this season. Identify your main skill weakness.

#### **Paragraph 2: State why your identified skill weakness is important to your position/sport (AO2)**

This paragraph must be written in the **third-person** point of view, and uses pronouns like he, she, it, or they. It must include **detailed online research** on the demands of your position using **specific terminology** associated with your chosen sport. All research must be written in your own words, please remember that the plagiarism check is on, cross checking your work against all sources online including other submissions.

- This skill is very important for a ..... in ..... because .....
- State how the skill would **benefit your position/sport** as well as your teammates/team.
- After each example, state **the consequences of this skill being a weakness**
  - This weakness would disable a player from.....
  - This weakness would give a disadvantage to the level of which a player can.....

#### **Paragraph 3: Justification, including impact on activity (AO3)**

This paragraph must be written in the **first-person** point of view. It requires you to fully justify your **skill weakness** with reference to **two** recent performances (this academic year). These performances can be 'made up' to further exaggerate your point but the more authentic the better. Your performances must provide strong justification regarding the impact the selected **skill weakness** had on both yours and the team's performance.

- Refer back to your first example stated in the **previous paragraph** as to the **consequences of this skill being a weakness**. Describe in first-person how your **skill weakness negatively affected your performance in this specific game** (read exemplar).
  - In a recent match against (name a school or team) on the (day and date), I was playing in (position) and I was (area of pitch e.g attacking 3rd).
  - My (weakness) was a problem when ..... (Describe the situation, e.g. one on one, type of passing, or movement that occurred)
  - The outcome of this was.....
  - This impacted me because I was unable to.... (negative outcome)
  - This impacted my teammates because..... (negative outcome)
  - The final result of the game was.....

### **KINDNESS - EXCELLENCE - RESPECT**

"Please note that this is a basic level response and that you should write all responses in your own words and in as much sport specific and GCSE PE detail as possible - see best fit level descriptors."
