**Wall St. Tease** Megan Wade, 2023-07-04 On paper they don't make sense But he needs a fake girlfriend and she needs the cash It's a Pretty Woman moment that quickly turns into every girl's fairytale wish I never thought of myself as a lucky person When you're twenty five and your peak career moment is working as a coat check girl at a New York strip club lucky is probably the last word you'd use to describe yourself But as luck would have it the worst job I've ever had is also the reason I'm in the right place at the right time to run smack bam into billionaire venture capitalist Carson Myles I'd like to say that this is my fairytale princess moment and the billionaire takes one look at me and declares me to be his true love But instead it's my Pretty Woman moment where the billionaire takes one look at me and offers me a bunch of cash to be his fake girlfriend to an important business event that could make or break his career No problem This man is so hot that I'm willing to be his fake anything I jump at the opportunity The plan is simple for one night I stand by his side smile and project the vision of a dotting longterm girlfriend so his bosses see him as a dependable man they're willing to take a bet on It all seems easy enough Until his bosses ask me a direct question and my wild imagination kicks in I not only put on a fake accent but I also spin a web of lies about my imaginary travels around the world with my fake jet setting parents I can hear myself and I try my best to stop my mouth from running but it's turning this sprint into a marathon and I don't quite know how to stop it But not all is lost somehow I've gotten us invited to the Swiss Alps to ski with some of the wealthiest people in the investment world It'll be amazing for Carson's career and since I've never left New York heading to Switzerland sounds like a dream But there's a catch I've never skied before and I have to keep up the pretense I've created including the accent while also pretending to be head over heels in love with Carson The last part isn't so hard but living on top of each other for an entire week means the lines between reality and fiction start to blur I find myself falling for Carson for real But I struggle to trust his feelings are genuine Is he falling for me or is he falling for the fake version of me I created to impress his bosses As we get closer I'm feeling more and more in over my head I'm torn between maintaining the charade to help Carson and unapologetically being myself the way I always promised myself I'd be But as luck would have it that choice isn't even in my hands From USA Today bestselling author Megan Wade comes Wall St Tease a fake dating laugh out loud romantic comedy filled with witty banter steamy moments and a cast of lovable characters It also comes with Megan Wade's Sugar Promise High heat low drama guaranteed So grab a donut or something equally yummy and get comfy because this bossy billionaire is getting all possessive over this vivacious curvy girl he can't seem to resist **His Dirty Promises** Fiona

Her Naughty adventures will inspire the romantic and vixen in all of us. Joining a dating app is never the start of a fairytale. I had known that from the beginning. So by no account did I expect to watch as this strong, handsome sun-kissed god strolled into my life. Ever since Greg appeared on my phone, everything's changed. Those ocean blue eyes, his strong, fit, muscular arms, he's magnetic, and I can't stop myself from being pulled closer into his world. It was never supposed to be this way, me and him. I am so helplessly plain, and he is so eternally mesmerizing, and he wants me. I've tried to understand it, I've tried to see myself the way that he sees me, as if I am truly the goddess he desires. I've been hurt before, I'm not ready for this. Yes, I crave the thought of his hands, his lips, his powerful body. He is hypnotic, and I am his willing victim. Whatever this is, whoever he is, I'm in far too deep to turn back now. Fans of J.S. Scott's billionaire series will especially enjoy. Warning: This contains mature themes. If you enjoy billionaire bad boys, nice guys, bbw good girls, alpha personalities, and tons of steamy romantic fun, then this billionaire erotic romance is exactly what you crave. Enjoy. *Dial B for Billionaire* Megan Wade, 2025-06-15 One wrong number. One billion-dollar complication. LAYLA: I never meant to give him my mother's phone number. But when a jaw-droppingly gorgeous stranger asks for my digits at a street festival, my sweaty fingers transpose the last two numbers. Now he's accidentally texting my recently separated mom instead of me. My bad. I figure I've blown my chance with Chicago's hottest mystery man. Until I walk into my father's boardroom and discover that same man is Bennett Mercer, billionaire CEO and the corporate raider about to dismantle my family's company. The same man who's looking at me like I deliberately played him. The same man I still can't stop thinking about. BENNETT: I don't get played. I'm the one who makes the rules, closes the deals, and walks away with exactly what I want. So when I text the captivating woman from the festival and end up exchanging messages with someone completely different, I know I've been given a fake number. When that woman turns out to be the daughter of my latest acquisition target, my suspicions are confirmed. What I don't expect is for her fierce defense of her father's legacy to make me question everything I've built. She's a complication I never saw coming. A temptation I can't afford. And possibly the one thing I can't live without. A steamy, laugh-out-loud billionaire romance featuring enemies-to-lovers, workplace romance, forced proximity, wrong number.
