I am a qualified Spanish teacher with a valid certification in education and teaching, and I also possess all the skills that are posted along in the job advertisement. I have a teaching experience of 15 years and exposure to teaching up to 20-25 students in a batch. On this note, I request you to have a look at my notable achievements and qualifications –

- Value and understand the importance of a strict yet playful environment in a classroom, I have the skills to maintain this environment without hampering active communication with the students.
- Comfortable working with children from various social backgrounds and age groups, and the credit goes to my previous work experience, wherein I taught in various school setups including NGO schools, and government schools.
- I understand each child is blessed with natural talent, and it is the teacher's responsibility to tap this resource by providing them with additional support and training so that they become capable and master the language.
- Expertise in incorporating non-language components into classroom lessons, including areas such as family traditions, political events, and Hispanic culture.
- Holding a Master's degree in Spanish and newly acquired education credentials from *** University.
