**Framing the Iraq War Endgame** E. King, R. Wells, 2009-09-28 The Bush administration was remarkably successful in dominating the debate over why we had to go to war with Iraq but it would soon be faced with the more daunting task of winning the monumental rhetorical struggle over how to write the script of the Iraq War endgame We examine the twists and turns of the discursive battle over the war's denouement as it played out against the backdrop of the war on terror and we conclude that while Bush failed to win the argument that Iraq was one with our fight against terrorism his underlying worldview that we must confront terrorist evil through global military engagement remains an important component of Obama administration rhetoric

Obama, the Media, and Framing the U.S. Exit from Iraq and Afghanistan Erika G. King, 2016-05-23 Situating Obama's end of war discourse in the historical context of the 2001 terrorist attacks Obama the Media and Framing the U S Exit from Iraq and Afghanistan begins with a detailed comparison with the Bush war on terror security narrative before examining elements of continuity and change in post 9 11 elite rhetoric Erika King deftly employs two case studies of presidential and media framing the weeks surrounding the formal announcements of Obama's December 2009 surge then exit strategy from Afghanistan and the end of combat operations in Iraq in August 2010 to explore the role of mass media in presenting presidential narratives of war and finds evidence of an interpretive disconnect between the media and a president seeking to present a more nuanced approach to keeping America safe Eloquently scrutinizing Obama's discourse on the U S exit from two post 9 11 wars and contrasting the presidential endgame frame with the U S mainstream media's narratives of the wars meaning accomplishments and denouement provides a unique combination of qualitative content analysis and topical case studies and makes this volume an ideal resource for scholars and researchers grappling with the complicated and ever evolving nexus of war the president and the media
