Mechanics inspires instructs and influences readers to help them master the modern world Whether it s practical DIY home improvement tips gadgets and digital technology information on the newest cars or the latest breakthroughs in science PM is the ultimate guide to our high tech lifestyle **True Confessions from the Ninth Concession** Dan Needles,2017-08-26

Author and playwright Dan Needles has long delighted readers and audiences alike with his insightful and laugh out loud perspective on small town life published in such bestselling books as Wingfield s World Random House 2011 Wingfield s Hope Key Porter 2005 With Axe and Flask McFarlane Walter and Ross 2002 and Letters From Wingfield Farm Key Porter 1988 In 1988 Needles and his wife left the city to start a family in a country community located two hours north of Toronto Together they stocked their farm with sheep cattle chickens pigs and eventually four children Needles charming chronicle unfolds in essays dated from 1997 to 2016 offering homespun advice for successful country living like whether to wave from the elbow or to merely raise one finger from the steering wheel when passing a neighbour in the car He cautions on rural superstitions such as when his neighbour hesitated before selling him weaner pigs because every time he does the wife of the farmer who s buying them becomes pregnant which turned out to be true Here too is the tale of an unlikely friendship between a borderline collie he s never bitten anything in his life and the sheep are catching on and an odd duck named Ferdinand as well as other hilarious stories involving an assortment of farm animals including the weapon of choice to properly dispatch a rooster gone bad the risks of giving a name to a potential Sunday dinner entr e and how to outsmart a free range pig With his witty insight Needles shares the art of neighbouring in the country a place made for visits and where a figure walking across your field is more of a reason to put the kettle on than to call the police True Confessions from the Ninth Concession is a sesquicentennial crop of antics and aphorisms by Canada s funniest farmer one that presents a wonderful escape for world weary city dwellers and affirmative reading for anyone who is from or has moved to rural Canada
