Count Those Buzzards Kathryn Tucker Windham,1980      Count Those Buzzards! Stamp Those Grey Mules! Kathryn Tucker Windham,1979      **Spit, Scarey Ann, and Sweat Bees** Kathryn Tucker Windham,2009-09-01 With sprightly humor and a lifetime spent observing Southern culture beloved storyteller Kathryn Tucker Windham shares memories of her childhood in Thomasville Alabama She affectionately recounts stories about family members friends and favorite pastimes Spit Scarey Ann and Sweat Bees recalls small town life in the 1920s and 30s garnished with ruminations about folktales and superstitions Mrs Windham recalls how Thurza the family cook tucked a wooden match in her hair to cure a headache and how her father spit in his hat when a rabbit crossed the road She ponders the origins of old sayings and the creativity of children s play before television and air conditioning One thing leads to another Mrs Windham says ticking off the items she wants us not to forget In every phrase the reader hears her voice almost as if our favorite story teller was in the room

**She** Kathryn Tucker Windham,2012-08-01 This slender book the last of twenty nine written by Kathryn Tucker Windham over her long and productive life will be an exquisitely bittersweet read for the many fans of the late storyteller and author from Selma Alabama In She which Windham was putting the finishing touches on when she died in June 2011 the author describes how she woke up one day to find that she had an unwanted houseguest an old woman who had suddenly moved into her home and was taking over her life Windham referred to this interloper simply as She and here the reader has been invited into the lively colloquy between the author whose spirit has not changed and her alter ego who moves haltingly toward her earthly end She will leave you laughing and crying but also grateful and hopeful      **Jeffrey's Favorite 13 Ghost Stories** Kathryn Tucker Windham,2004-05-01 This is the first anthology of the author s own favorite ghost stories from the highly successful Jeffrey series of books that began in 1969 with 13 Alabama Ghosts and Jeffrey Hundreds of thousands of these books have been sold The present volume includes 13 of the best of Mrs Windham s stories representing mysterious and supernatural doings from Alabama Georgia Tennessee and Mississippi Most of the stories are related to historical places and sometimes to historical people      *Alabama, One Big Front Porch* Kathryn Tucker Windham,2007-01-01 Many of Alabama s finest stories used to begin with a reference to the night the stars fell and even now there is an inclination among some residents to divide local history into two segments before the stars fell and after the stars fell That would make November 13 1833 the dividing line Thousands of Alabamians thinking the end of the world was at hand when they saw the heavenly spectacle fell to their knees to plead for mercy and forgiveness Others promised eternal renunciation of sin card playing dancing whiskey drinking cursing and associated vices if they were spared whatever catastrophes were in the offing Still others jumped upon horses and tried to outrace the fearful menace they believed was pursuing them      *The Publishers' Trade List Annual* ,1983      AB Bookman's Weekly ,1985      *Storytellers* Corki Miller,Mary Ellen Snodgrass,1998 The latter part of the twentieth century has seen a renaissance of the enduring spoken art of storytelling Stories told by real people in

person counterbalance the impersonal computer communication so much a part of present society This work profiles 120 English speaking performers worldwide and describes how they make their words come alive what their styles of presentation are Each entry provides pertinent information on the storyteller address phone and fax numbers e mail address and Web site information categorizes their work e g original tales imaginative stories historical notes the audience level and lists the instruments or props used Style comments such as witty dramatic gesturing musical and so on are also given Detailed biographies reveal how the storyteller got started and their career achievements and other pertinent details The entries conclude with an audiography videography bibliography listing of awards and sources for further information for each teller     *Books in Print* ,1982     Preparing to Die Troy L. Gafford,2006-10-01 Dying remains one of the last taboo subjects Most people will talk about money or even sex before they will dying I think this is true of most people but it seems especially true of Baby Boomers the generation of which I am a member This reluctance to discuss dying is one of the things I considered when deciding how to structure this book In reality my target audience should be anyone with whom God has not shared their departure date for leaving this world But part of my experience in dealing with the reluctance of people my own age to discuss their own death is that they do have the reality of dealing with the approaching death of their own parents Thus some of this material Section Two will be given from the viewpoint of helping someone prepare to die while the primary section Section One will be addressed directly to those preparing for themselves     *Homespun* Jimmy N. Smith,1994-09 More than 30 popular tales and anecdotes about the storytellers and a how to section for readers to create and tell their own stories     *The Country Gentleman* ,1912     **The Exchange and Mart** ,1871     *Youth's Companion* ,1885     Count Those Buzzards Kathryn Tucker Windham,1980
