## **Democracy Bytes New Media New Politics And Generational Change:**

*Democracy Bytes* J. Bessant, 2015-12-11 This study is about new media the crisis of democracy and political renewal It asks What is the political How can we understand politics in a network age Can we talk sensibly about generational change Analysing four international case studies this book gives an optimistic assessment of how digital media supports new forms of politics

*Democracy Bytes* J. Bessant, 2014-01-01 This study is about new media the crisis of democracy and political renewal It asks What is the political How can we understand politics in a network age Can we talk sensibly about generational change Analysing four international case studies this book gives an optimistic assessment of how digital media supports new forms of politics

Politics, Protest and Young People Sarah Pickard, 2019-06-07 Sarah Pickard offers a detailed and wide ranging assessment of electoral and non electoral political participation of young people in contemporary Britain drawing on perspectives and insights from youth studies political science and political sociology This comprehensive book enquires into the approaches used by the social sciences to understand young people s politics and documents youth led evolutions in political behaviour After unpicking key concepts including political participation generations the political life cycle and the youth vote Pickard draws on a combination of quantitative and qualitative research to trace the dynamics operating in electoral political participation since the 1960s This includes the relationship between political parties politicians and young people youth and student wings of political parties electoral behaviour and the lowering of the voting age to 16 Pickard goes on to discuss personalised engagement through what she calls young people s DIO Do It Ourselves political participation in online and offline connected collectives The book then explores young people s political dissent as part of a global youth led wave of protest This holistic book will appeal to anyone with an interest in young people politics protest and political change

Making-Up People: Youth, Truth and Politics Judith Bessant, 2020-12-30 This book is about modern politics and young people Judith Bessant revises some long standing myths about children and young people s politics She highlights the huge gap between the many ways young people and politics are talked about and how they have long been politically active Bessant draws on a relational historical sociology to show how since the nineteenth century certain historical dynamics political interests and social imaginaries have enabled social scientists writers political leaders and policymakers to imagine and make up different kinds of young people Given these representations of childhood adolescence and youth everyone knows that young people are cognitively immature inexperienced morally under developed and lack good judgement For these reasons they cannot possibly be allowed to engage in the serious grown up business of politics Yet in just one of the many contradictions young people are criticised by many of their elders for being politically apathetic and disengaged from politics Many think recent global warming movements largely led by quite young people are a novel phenomenon Yet young people have been at the forefront of political movements of all kinds since the French Revolution Since the 1960s children and young people increasingly played a major if sometimes obscured role in civil rights

anti war anti globalisation anti austerity and global warming movements This accessible book is rich in theoretical and historical insight that is sure to appeal to sociologists historians youth studies scholars and political scientists as well as to the general reader

**Habermas and Social Research** Mark Murphy, 2016-11-25 One of the greatest contributors to the field of Sociology Jürgen Habermas has had a wide ranging and significant impact on understandings of social change and social conflict He has inspired researchers in a range of disciplines with his multidimensional social theory however an overview of his theory in applied settings is long overdue This collection brings together in one convenient volume a set of researchers who place Jürgen Habermas key concepts such as colonisation deliberation and communication at the centre of their research methodologies Full of insight and innovation this book is an essential read for those who want to harness the potential of Habermas core concepts in their own work thereby helping to bridge the gap between theory and method in social research Structured around three core themes Habermas and Social Research provides a range of research case studies looking at system colonization the politics of deliberation and communicative interactions Issues as diverse as social movements the digital public sphere patient involvement migration and preschool education are all covered in the book intertwined with a set of innovative approaches to theory application in social research Designed to help researchers harness the potential of Habermas core concepts as methodological tools this timely volume will prove highly useful for graduate and upper level undergraduates within the fields of theory and method research design public policy education policy urban and environmental planning

**Media Practices, Social Movements, and Performativity** Susanne Foellmer, Margreth Lünenborg, Christoph Raetzsch, 2017-09-13 As individuals incorporate new forms of media into their daily routines these media transform individuals engagement with networks of heterogeneous actors Using the concept of media practices this volume looks at processes of social and political transformation in diverse regions of the world to argue that media change and social change converge on a redefinition of the relations of individuals to larger collective bodies To this end contributors examine new collective actors emerging in the public arena through digital media or established actors adjusting to a diversified communication environment The book offers an important contribution to a vibrant transdisciplinary and international field of research emerging at the intersections of communication performance and social movement studies

**The Palgrave Handbook of Political Norms in Southeast Asia** Gabriel Facal, Elsa Lafaye de Micheaux, Astrid Norén-Nilsson, 2024-06-07 This open access handbook aims to constitute a reference point on political norm dynamics in Southeast Asia by bringing together the array of normative repertoires that frame the possibilities for citizens to participate in set agendas for make decisions in and contest not only electoral and institutional politics but also informal and imaginary political spaces It sheds light on intersecting political and social transformations and their consequences from the vantage point of political norms While chapters lay out and analyse how political norms across Southeast Asia have been shaped in successive historical phases the core of the handbook addresses current dynamics involved in defining and transforming

political norms      **Young People, Social Media and Health** Victoria Goodyear, Kathleen Armour, 2018-11-02 The Open Access version of this book available at <http://www.tandfebooks.com/doi/view/10.4324/9781351026987> has been made available under a Creative Commons Attribution Non Commercial No Derivatives 4.0 license The pervasiveness of social media in young people's lives is widely acknowledged yet there is little evidence based understanding of the impacts of social media on young people's health and wellbeing *Young People Social Media and Health* draws on novel research to understand explain and illustrate young people's experiences of engagement with health related social media as well as the impacts they report on their health wellbeing and physical activity Using empirical case studies digital representations and evidence from multi sector and interdisciplinary stakeholders and academics this volume identifies the opportunities and risk related impacts of social media Offering new theoretical insights and practical guidelines for educators practitioners parents guardians and policy makers *Young People Social Media and Health* will also appeal to students and researchers interested in fields such as Sociology of Sport Youth Sports Development Secondary Physical Education and Media Effects      *The Precarious Generation* Judith Bessant, Rys Farthing, Rob Watts, 2017-05-08 This book draws on a wealth of evidence including young people's own stories to document how they are now faring in increasingly unequal societies like America Britain Australia France and Spain It points to systematic generational inequality as those born since 1980 become the first generation to have a lower standard of living than previous generations While governments and experts typically explain this by referring to globalization new technologies or young people's deficits the authors of this book offer a new political economy of generations which identifies the central role played by governments promoting neoliberal policies that exacerbate existing social inequalities based on age ethnicity gender and class The book is a must read for social science students human service workers and policy makers and indeed for anyone interested in understanding the impact of government policy over the last 40 years on young people      **Sociological Abstracts** Leo P. Chall, 2003 CSA Sociological Abstracts abstracts and indexes the international literature in sociology and related disciplines in the social and behavioral sciences The database provides abstracts of journal articles and citations to book reviews drawn from over 1 800 serials publications and also provides abstracts of books book chapters dissertations and conference papers      *International Journal of Educational Reform*, 1992      **The New Presence**, 1997      **New Society**, 1985      *Left Curve*, 2003      *Communication Arts*, 1995      **Forthcoming Books** Rose Arny, 1995      **Australian National Bibliography**, 1994      **Canadian Periodical Index**, 1996      *Books in Series, 1876-1949* R.R. Bowker Company, 1982      *Library Literature & Information Science*, 2000 An index to library and information science literature
