

Eagle Scout Recommendation Letter

To The Eagle Scout Board of Review:

I have known <<Scout's full name>> for more than ten years and have found him to be an outstanding young man.

He is reliable and hardworking – something to which I am certain his current employers and teachers will also attest.

<<Scout>> has been extremely active in Scouting, both in working towards his Eagle rank and in assisting the younger Scouts in his Troop to advance and to enjoy the Scouting experience.

I wholeheartedly recommend <<Scout>> as an Eagle Scout. I have absolutely no doubt he will live up to all that is expected of him, now and in the future, as a member of this elite group.

If you're writing as an employer or someone who interacts in a public setting with the Scout, then you should mention how the Scout uses his leadership and Scout training, as well as the Scout Oath and Law in those settings.

Sincerely,

My Way! Colonel Augie Casado, 2018-04-13 My Way is a compilation of 365 daily e mails Colonel Casado sent his sons Ben and Alex He had set a goal of sending them a daily e mail for 365 days and after about a month his wife asked him to stop sending them because the boys weren t reading them He asked his youngest son Alex if he wanted him to stop and Alex said no That s when he knew he was on to something Looking for a good way to communicate with his boys in our high speed super busy digital world he thought a daily e mail might be a great way to at least let them know he was thinking of them and at best share some helpful insights and experiences After thirty six plus years of leadership and management experience as a group and squadron commander in the military and a senior leader in the civilian world the daily passages centered on those things Colonel Casado knew best leadership motivation goal setting etc My Way is based on his personal values military and civilian leadership experience and a desire to help develop current and future leaders My Way is Colonel Casado s first book but hopefully not his last After a while it became apparent that My Way could help others and thus began the journey of turning the passages into a book After achieving the 365 day goal he found he had over 64 000 words on paper My Way is a fun and very diverse compilation of passages on a variety of issues falling into the realm of self help leadership management motivation parenting advice etc and in the hopes of helping others here you have it Lead on

Council of Louisville KY Over the past 8 years I had the pleasure of assisting Scoutmasters with their Life Scouts making the Eagle rank I evaluated 52 Eagle Proposals and sat on 44 Eagle Boards of Review Moreover I served as Scoutmaster of Troop 147 for 10 years and before that I was Cubmaster of Pack 147 Being part of this District I also served as Chairman of several Fall and Winter District Camporees and Merit Badge Fairs There are other events too numerous to mention As a former Scoutmaster I well remember the uncertainties I once had of the procedures in assisting Life Scouts with the formulation and completion of their Eagle Projects and all the required paperwork dictated by the district council and national office Therefore I have put together a guide that I believe will assist Scoutmasters other leaders and the Life Scouts in attaining the rank of Eagle Through research I have learned that most Boy Scout Councils and their Districts go about the process in about the same way However I was not able to find documentation that specifically outlined each and every step of this process and which specifically listed all the documentation that this affords I have made use of my Councils web site <http://www.lhcbasa.org> and have made it accessible for you to download several required documents in PDF form You will also have to substitute the names of your Council and District for the ones I have listed I hope that you will find that this guideline offers a consistent approach that if followed will eliminate so many confusing approaches to the process The biggest problem appeared to be the completion of the Eagle Scout Leadership Project Workbook No 18 927A giving many leaders problems There was considerable ambiguity in deciding exactly what the Reviewers of the Proposals might want included Some wanted more detail in one part and not in another For example some insisted on letters of need for a project whereas some did not Sections 1 and 2 of this guide address all the concerns in the Workbook with examples and clarification for the Life Scout and Scoutmaster Also I have purposely omitted any reference to NESA National Eagle Scout Association or any possible scholarship that may arise from a Scout earning Eagle I leave this up to the Scoutmasters and other leaders to cover this with the Eagle candidate The Lincoln Heritage Council gives its permission for you to duplicate and use any of its forms I quote This section of the Lincoln Heritage Council web site contains various forms from the Council and BSA National offices Feel free to download them print them and use them elsewhere <http://www.lhcbasa.org> Lastly thank you for trying this approach and I sincerely hope that it proves useful to you Please contact me at email address jerrydrakes@gmail.com for any comments Yours in Scouting Dr Jerry D Rakes
