**Contingencies:** Applicable to the extent not covered by other standard. E.g. RDD.

**Events Occurring after the Balance Sheet Date:**

- Significant events,
- Both favourable and unfavourable,
- Occur between the balance sheet date and the date on which the financial statements are approved by approving authority. (E.g Board of Directors)

**Dividends:**

- The directors may propose dividends after balance sheet date for the obvious reason that no dividend can be proposed till the year is over and profit is ascertained.
- The dividends proposed by the directors however, do not reflect any condition existing on the balance sheet date.
- The provision for proposed dividends is not required to be disclosed in Schedule III to the Companies Act, 2013.
- Accordingly, proposed dividends is not treated as adjusting event. Such dividends are disclosed in the notes.

**Exception to above mentioned Rules:**

Events indicating going concern assumption inappropriate:

Assets and liabilities should be adjusted for events occurring after the balance sheet date that indicate that the fundamental accounting assumption of going concern (i.e. existence of the enterprise) is not appropriate.
