

THE CHRISTGOU CONSUMER GUIDE

by Robert Christgau

As always, this month's Consumer Guide cleans up pre-Christmas business. All those year-end lists I compiled for the *Village Voice* *Pazz & Jop* Critics' Poll reminded me of a few putatively hi-quality epees I'd done my best to ignore, and this is where I attempt to confront them. If some of those listed seem dated, blame it on my distaste for failed competence and recurring critical riddles. Little Feat and Eno and Blue Magic and Jesse Winchester received my all-too-painstaking attention, and one of them scored, which is what makes it all worthwhile. In the end, however, I did shy away from Jackson Browne. I think he's a wimp and what else is there to say about him? Just another pretty face? Thomas Chatterton, you died too soon? You like him or you don't, and no amount of nastiness from me is going to change it.

Small pickings this month - the Christmas release was even more compromised than usual. The usual guidelines apply. Grades of B plus or above indicate ascending enthusiasm, B minus and down, descending dismay.

"David Barretto" (Mercury): If you don't believe a Fats Domino medley is likely to go with something called "Time to Sow the Seed," featuring not one but two harps, you're like me, and like me you're wrong. This is schlock with a difference, and the difference is faith. Believe me, Shadow Morton can make a believer out of anybody. **B.**

Blue Magic: "The Magic of the Blue" (Atco): In my gut, I've never understood groups that specialize in no backbeat falsetto ballads. The few I've liked - only the Chi-Lites and the Stylistics for more than one song at a time - barely redeemed their simplicity by sounding sincere, or do I mean dumb, and these hotshots just don't. They're too fucking professional. At their best, they sound like the Spinners, which isn't so great unless the song is. More often, they sound like the Stylistics will sound after Russell Thomkins gets his B.A. **C plus.**

Bob Dylan: "Blood on the Tracks" (Columbia): The first version of this album struck me as a sell-out to the memory of Dylan's pre-electric period; this recut, utilizing unknown Minneapolis studio musicians who impose nothing beyond a certain anonymous brightness on the proceedings,

Robert Elms

recapitulates the strengths of that period. Dylan's new stance is as disconcerting as all the previous ones, but the quickest and deepest surprise is in the music itself. By second hearing its loveliness is almost literally haunting, an aural *deja vu*. There are moments of anger that seem callow, and the prevailing theme of interrupted love recalls adolescent woes, but on the whole this is the leader's most mature and assured record. **A.**

Eno: "Here Come The Warm Jets" (Island): The idea of this record - top of the pops from a quasi-dadaist British synth wizard who makes out with the Soft Machine - is a lot worse than the actuality, which engages the ear and the mind in a vaguely Velvet Underground sort of way, instead of just trying to. Minimally differentiated variations on the same melody recur and recur, but it's a nice melody and chances are he meant it that way. Some good words, too. **B plus.**

Bryan Ferry: "Another Time, Another Place" (Atco): In which he who plays at corruption is afflicted with disease - lead poisoning, I think, affecting not only his brain but also his lungs and his pants. **C plus.**

Aretha Franklin: "With Everything I Feel In Me" (Atlantic): All Aretha Franklin records are not alike. In fact, her capacity not just for endurance but for adaptations is unequalled among vocalists of her generation, and in many ways this LP is more of a breakthrough than its predecessor, *Let Me In Your Life*. Even the ethereal direction of the change - less bottom, more (and

more aimless) la-la scatting - has for its precedent the Young, Gifted and Black album's brave exploration of the spirituality of black pop. Nevertheless, I prefer *Let Me In Your Life*. Aretha has become such a solid property - certain to hold onto an audience for years to come, but unlikely to expand any further - that it's no longer possible to resist thinking of her as a cross between Frank Sinatra and Nancy Wilson, turning out collections as custom-designed as next year's Oldsmobile. **B plus.**

The Guess Who: "Flavours" (RCA Victor): The Burton Cummings part of this group always wanted it to be the Doors, Santana, and Gary Puckett and the Union Gap all rolled into one. This rather monstrous goal has finally been realized. Personally, I always preferred the part that wanted to be Bachman-Turner Overdrive. **C.**

George Harrison: "Dark Horse" (Apple): Such transubstantiations. In which "Bye Bye Love" becomes "Maya Love," in which "windowpane" becomes "Window brain." Can this mean that pain (pane, get it?) is the same as brain? For all this hoarse deck knows... **C.**

"Honk" (Epic): California eclecticism in the grateful tradition of Stoneground, with the difference in names indicating a gain in irony and the forced jollity of "Gimme That Wine" recalling the limitations of the mode. Good songwriter: Richard Seekol. Good song: "Mademoiselle." **B.**

Little Feat: "Feats Don't Fail Me Now" (Warner Bros.): Despite the reputation they've earned as the thinking man's bar band - classic line: "I'm gonna boogie my scruples away" - these hip Angelinos have been turning me off for three albums now, and I've figured out why: beneath that dodecaphonic exterior they're closet Europeans. Their overtones may be bent and bluesy, their rhythms may have a funky catch to them, but some of those runs sound like they were copped from Rick Wakeman, and I don't even want to know where he copped them. **B minus.**

The Ohio Players: "Fire" (Mercury): The makers of "Shoogity-boogity" bring you: "More Shoogity-boogity." **B.**

Christgau Consumer Guide Introduction

In today's digital age, the availability of Christgau Consumer Guide books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Christgau Consumer Guide books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Christgau Consumer Guide books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Christgau Consumer Guide versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Christgau Consumer Guide books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Christgau Consumer Guide books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Christgau Consumer Guide books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a nonprofit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers.

Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Christgau Consumer Guide books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Christgau Consumer Guide books and manuals for download and embark on your journey of knowledge?

FAQs About Christgau Consumer Guide Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Christgau Consumer Guide is one of the best book in our library for free trial. We provide copy of Christgau Consumer Guide in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Christgau Consumer Guide. Where to download Christgau Consumer Guide online for free? Are you looking for Christgau Consumer Guide PDF? This is definitely going to save you time and cash in something you should think about.
