Prosperity Charles Fillmore, 2008-08-14 The lessons of Scripture hold the hidden keys to prosperity discover how to use them to create wealth abundance and purpose in your life It is perfectly logical to assume that a wise and competent Creator would provide for the needs of His creatures Charles Fillmore Do you know how love can help pay your debts How trust can be a building block to riches How generosity can bring magical rewards to you These are just a few of the ideas in Charles Fillmore's *Prosperity* an extraordinary blueprint to realizing the wealth building power that exists and is always available within your mind The beloved spiritual teacher Fillmore committed his lifetime to helping countless men and women learn to harness the creative principles of faith and mental power Now readers everywhere can benefit from one of his most famous and sought after books a guide that plainly brings the principles of mental science down to the working level The twelve lessons in *Prosperity* are a master class from a venerated instructor on how you right here right now can attain your true destiny as a conduit of the Divine Mind and how that realization can bring abundance and plenty into your life **Should Christians Prosper?** James H. Hooks, 2012-12 Prosperity is guaranteed by God Himself revealed through His Word Most Christians believe that God wants them to prosper and rightly so This is because in the Bible God tells us He not only wants us to prosper but also that He plans for us to prosper Yet prosperity has eluded so many not because of lack of desire but because of lack of understanding In search of this dilemma they look for Scriptures to guide them They find that the answer is not found in one topic or one scripture but scattered throughout the Bible in over 1 500 Scriptures dealing directly with the subject There are approximately 1 000 more dealing indirectly with prosperity in some form My research has taken me through all of those Scriptures and put together an understanding that is easy to follow from one chapter to another revealing in Scripture in such a way that answers any question you may be facing in your own life that may be preventing you from achieving true prosperity There are many misconceptions and teachings on the prosperity doctrine that miss the mark and turn off many believers and nonbelievers alike This book reveals the false teachings of prosperity and how to detect the difference at a glance No matter where you are in your Christian walk there is something here for you Remember it is what you learn after you know it all that makes the biggest difference in your life If you do not consider yourself a Christian don't let that deter you from reading this book After reading this book you may just want to become one Don't waste another minute We know that God never lies God never fails and God truly wants you to prosper Suggested Reading Trust God for
