Mind Andrew Adam White, 2021-09-09 Do you feel down depressed or hopeless Have you lost interest or pleasure in doing things Do you know someone who might be depressed and want to help Are you a Christian healer health care provider counselor or clergy and want to expand your knowledge base on depression If you answer yes to any of these questions this book may be of help to you As a Christian family physician and educator for forty three years and with seminary training I have found that treating the whole person with clinical depression is the most likely way to be healed from this dreadful illness There are now many real helps for those with clinical depression from the medical including psychiatric counseling

and pastoral care professions especially from the Bible itself I have suffered from seven clinical depressions and most of my siblings and children have experienced at least one clinical depression so I know what the issues are that face those of us who are depressed I have also included real life examples of Christians who have suffered from depression including me as well as helpful quotations from Scripture and special prayers for those who are depressed

The Second Commandment Joey R. Peyton, 2024-02-07 In an increasingly broken world filled with hate and violence God's plan from the beginning was to save and restore the world to the glory for which he had created it This simple plan has not changed with the evolution of sin time or man's rejection of his creator Rather God's simple twofold plan of redemption included both a commandment to love the creator with all one's heart mind soul and strength and a commandment to love one's neighbor as one's self Neither commandment stands in isolation for one cannot fully love others without a consuming love for God and neither can one completely love God without a love for the neighbor created by God The answer to hate is love the answer to war is love the answer to violence is love and the answer to all of societal disfunction is love The answer is not a commandment to like God and others because one only likes others because of likeness Rather love is a choice A choice to love what you don't like A choice to love what you don't understand A choice to love until the God you love sets everything right in eternity
