Dupré, James A. Wiseman, 2001 In this revised edition of a longtime bestselling anthology of Christian mysticism editors Louis Dupre and James Wiseman bring together selections from the writings of twenty three of the most important Christian mystics from Origen of Alexandria in the third century to Thomas Merton in the twentieth This edition retains most of the authors included in the first addition but has replaced some authors from that edition with ones that will be of greater interest to readers today e g Francis and Clare of Assisi Francis de Sales and Jane de Chantal and Evelyn Underhill A general introduction discusses the place of mysticism within the Christian life as a whole while individual chapter introductions place the mystical writers in their historical context and relate their works to others in the anthology In addition the editors have completely updated the bibliographies at the end of each chapter Students and teachers of spirituality as well as persons interested in their own spiritual growth will welcome this popular revised resource because it makes readily available in one volume major works by important Christian mystical writers Like its predecessor it is sure to be welcomed in the academic world and spiritual and devotional circles      **Exploring Christian Spirituality** Kenneth J. **Modern Spirituality** John Garvey, 1985 This anthology brings together the best modern spiritual writers It has been carefully selected to present a range of approaches and a variety of religious traditions In the spiritual life we are not to be just imitators but have to find out our own way and that is where anthologies such as this can help Particular attention is given to techniques of prayer but wider issues such as prayer and activism are not neglected As the editor makes it clear

many of the problems which modern industrial nations categorize as political and economic have their faith roots in the heart. For this reason no person with a living faith can afford to ignore modern spirituality.

**An Anthology of Christian Mysticism** Harvey D. Egan, 1991. A Pueblo book. Includes bibliographical references, p. 610-615 and index.

**Roots of Faith** Robert Van de Weyer, 1997

**Mystics, Visionaries, and Prophets** Shawn Madigan, 1997-12-01. Winner of Catholic Press Association Book of the Year Award. Spirituality Unique in its range and depth, this lavish anthology for the first time captures in a single volume the most notable spiritual writings of leading women from all periods of Christian history. Because spirituality involves more than simply prayer and piety, Madigan has selected women whose quests for intimacy with God also involve some visionary experience or social witness. Ranging from Perpetua in the third century to Mother Teresa and Edwina Gately in this century, her volume includes writings from both European women and in the modern period Asian American and African American women. Apart from redressing the heavy gender imbalance of most histories of Christianity, this volume also provides strong historical introductions to and bibliographies of the twenty-six women whose writings are generously excerpted. Women included in this volume are Perpetua the Martyr, Pelagia the Actress, Brigit of Ireland, Balthild the Queen of Neustria, Dhuoda of Septimania, Hildegard of Bingen, Heloise, Mechthild of Magdeburg, Gertrude the Great, Hadewijch, Julian of Norwich, Catherine of Siena, Margery Kempe, Teresa of Avila, Jane Frances de Chantal, Sojourner Truth, Maria Stewart, Gabrielle Bossis, Dorothy Day, Caryl Chessman, Pauli Murray, Laura Lopez, Silvia Maribel Arriola, Mother Teresa, Cho Young Soon, Mercy Amba Oduyoye, Edwina Gately.

**Christian Spirituality**, 1989

*Spiritual Classics from the Late Twentieth Century*, 1995. This unique anthology of Christian spirituality draws on the experiences and reflections of six contemporary writers. From the perspective of the late twentieth century and from very different Christian traditions, they explore our relationship with God and with one another. Each selection begins with a brief outline biography and includes excerpts that confront a rich variety of themes, from vital social and political issues to experiences of great personal joy and pain. The authors include Helen Oppenheimer, Janet Martin

Soskice Margaret Spufford Carlo Maria Martini Jacques Pohier and Kenneth Leech Christian Spirituality McGrath, 2014-10-17 **Spiritual Classics from the Early Church**, 1995 This is an exploration of the rich spirituality of the Church Fathers found in the writings of Cyprian the Desert Fathers and Mothers Basil the Great Gregory of Nyssa John Chrysostom Augustine Benedict and Gregory the Great **God in All Worlds** Lucinda Vardey, 1995 **The Inner Journey** Lorraine Kisly, 2006 For over three decades those for whom religion is a path of discovery and questioning have found insight in the pages of Parabola This thoughtful anthology collects the magazine's best writings on Christianity featuring articles from Thomas Merton Elaine Pagels Philip Zaleski Thomas Keating and 20 other authors who vividly explore what it means to be a Christian The collection combines poetry and folklore with incisive interviews and cogent essays on topics such as the search for self attention and remembrance transformational knowledge and worldly and divine works A lavish full color 16 page set of plates brilliantly conveys the rich variety within the tradition From full works of great intricacy to passages of pure insight The Inner Journey Views from the Christian Tradition spans the tradition's greatest trends For readers looking for an introduction to Christianity or those seeking to expand their knowledge of it the journey in this book inspires and enlightens Christian Spirituality in Africa Sung Kyu Park, 2013-02-06 Christian Spirituality in Africa holistically approaches the convergence of East West and Christian Traditional African religions Its theological historical and anthropological perspectives contribute to a balanced understanding of Christian spirituality transformation in an African context **The Story of Jesus** William H. Kautz, 2012-04-10 THE STORY OF JESUS AN INTUITIVE ANTHOLOGY Many contemporary Christians suspect that there is more to Jesus and his enduring message than the little that has survived in historical writings and the legendary Christian tradition This book offers a narrative account of Jesus' life from the perspective of twenty contemporary writers who have developed their natural intuitive abilities to an unusually high level They are therefore able to bring forth new and detailed information not ordinarily accessible by historical or literary means Some of them had demonstrated their unusual skill by probing deeply into the personal lives and minds of historical individuals other than Jesus while some had provided important and detailed technical information which was then verified scientifically They apply their intuitive skills here to uncover fresh information about the man Jesus his contemporaries and his extensive teachings which never found their way into the New Testament Gospels and related historical documents These new findings offer a much richer view of the man himself than that available from traditional Christian sources They also provide illuminating insights and a deep spiritual understanding of Jesus' original and hidden teachings The Story of Jesus is essential reading for all inquirers and seekers into these hidden and previously lost portions of Christian spiritual history
