Christopher Durang Script :

A Cinema of Loneliness Robert Phillip Kolker, 2000 In this 20th anniversary edition Kolker continues and expands his inquiry into the phenomenon of cinematic representation of culture by updating and revising the chapters on Kubrick Scorsese Altman and Spielberg

Laughing Wild Christopher Durang, 1996 THE STORY In the first section of the play a Woman enters and embarks on an increasingly frenetic and funny recital of the perils and frustrations of daily life in urban America waiting in line rude taxi drivers inane talk shows and the selfish peop 1/2/3/4 *For the Show* Lewis W. Heniford, 1995 An invaluable guide to small cast one act plays describing more than 2 200 plays Production Promptbook for Christopher Durang's The Marriage of Bette and Boo Timothy P. Hedgepeth, 1989 *Working on a New Play* Edward M. Cohen, 1995 *Limelight* The invaluable *Working on a New Play* arrived to my overwhelming delight and mental profit I began and finished it in one long insatiable and educational night Everything in it is new illuminating and informative lively and clarifying Cynthia Ozick *New York Magazine* , 1996-09-09 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea The Lost Decade Chris Horn, 2023-10-19 Provides an analysis of Hollywood from a fresh viewpoint that shows the careers of Robert Altman Francis Coppola William Friedkin and others in the 1980s as far from conforming to a monolithic pattern of decline but rather as diverse and complex responses to political and industrial changes The 1980s are routinely seen as the era of the blockbuster and of Reaganite entertainment whereas the dominant view of late 1960s and early 1970s American film history is that of a Hollywood Renaissance a relatively brief window of artistry based around a select group of directors Yet key directors associated with the Renaissance period remained active throughout the 1980s and their work has been obscured or dismissed by a narrow singular model of American film history This book deals with industrial contexts that conditioned these directors ability to work creatively but it is also very much about the analysis of individual films bringing to light a range of unheralded work from the visual experimentation of *One from the Heart* Coppola 1981 to the experimental production contexts of *Secret Honor* Altman 1984 and the stylistic lan of *To Live and Die in L A* Friedkin 1985 Behind the homogenous picture of the decline of the auteur in 1980s American cinema are films and careers that merit greater attention and this book offers a new way to perceive individual films American film history and the viability of sustained authorial creativity within post studio era Hollywood A Convenient Parallel Dimension James Greene, 2022-11-01 Rarely has a movie this expensive provided so many quotable lines So wrote Roger Ebert in his review of *Ghostbusters* the 1984 blockbuster that handed our paranormal fears over to some of the sharpest comic minds of the day *Ghostbusters* instantly resonated with audiences thanks to eye popping special effects and crackling wit to date it remains

the highest grossing horror comedy of all time The film spawned an Emmy nominated Saturday morning cartoon a tentpole 1989 sequel a contentious 2016 reboot legions of merchandise and one of the most dedicated fan bases in history Ghostbusters also elevated its players to superstardom something a few cast members found more daunting than the Stay Puft Marshmallow Man Now for the first time the entire history of the slime soaked franchise is told in A Convenient Parallel Dimension How Ghostbusters Slimed Us Forever The cohesion of talent during the mid 70s comedy revolution the seat of their pants creation of the first Ghostbusters the explosive success that seemed to mandate a franchise the five year struggle to make Ghostbusters II the thirty one year struggle to make Ghostbusters III it s all here with incredible attention to detail Thoroughly researched and engaging A Convenient Parallel Dimension smashes long held myths and half truths about the dynamics behind this cultural juggernaut and presents the real story down to the last drop of ectoplasm **Subject Catalog, 1982** Library of Congress,1982 The One-Act Play Companion Colin Dolley,Rex Walford,2015-01-05 The one act play stands apart as a distinct art form with some well known writers providing specialist material among them Bernard Shaw Tom Stoppard Harold Pinter Caryl Churchill Alan Ayckbourn Edward Albee and Tennessee Williams There are also lesser known writers with plenty of material to offer yet sourcing one act plays to perform is notoriously hard This companion is the first book to survey the work of over 250 playwrights in an illuminating A Z guide Multiple styles nationalities and periods are covered offering a treasure trove of compelling moments of theatre waiting to be discovered Guidance on performing and staging one act plays is also covered as well as essential contact information and where to apply for performance rights A chapter introducing the history of the one act play rounds off the title as a definitive guide **The Connoisseur** ,1987 **American Theatre** Thomas S.
