Church Cookout Invitation Letter:

LETTER FROM HELL DR. PAUL CRAWFORD, 2025-09-01 A Letter from Hell Some stories are whispered across pulpits tucked away in sermons and passed along like cautionary tales They unsettle us because they strike too close to home This is one of those stories not of strangers in some faraway land but of neighbors friends family People we laugh with share meals with wave to across the fence People whose eternity hangs in the balance while we say nothing This book is not written to entertain but to awaken It is a parable wrapped in flesh a reminder that the greatest tragedy is not what happens in life but what happens after it Eternity is real Heaven is real And so is hell The words you are about to read are framed around a fictional letter but its cry is real the eternal regret of a soul lost without Christ It echoes the truth of Scripture the rich man who lifted up his eyes in torment and begged that someone warn his brothers Luke 16 27 28 It is a story of friendship silence and the terrible cost of missed opportunities But more than that it is a story of redemption It is about one man who chose to let his regret become fuel for obedience It is about how God can take even our greatest failures and turn them into a testimony of grace Perhaps you will see yourself in these pages Perhaps you too have a neighbor a coworker a family member you've never spoken to about Christ Perhaps you've convinced yourself there will always be time This story is here to shake that illusion A Letter from Hell is more than a novel it is a plea A plea not from the author but from eternity itself Do all you can for the souls of men lest they be cast in hell with me The letter has been written The cry has been heard The question is what will you do with it

2 Signs and Coincidences from God , Signs and coincidences from God in the form of 2 s things happening twice and consecutively in such an amazing fashion that they were all recorded into a journal There were so many amazing things that happened that the journal became a book These coincidences and signs will drop your jaw prove that there is a God and that He does speak to His children in many different ways When He gets your attention amazing things happen

The Nuts & Bolts of Christian Education Delia Halverson, 2010-10-01 Can you give me the book that will tell me how to DO Christian education The Nuts Bolts of Christian Education is designed to answer the most frequently asked questions by new as well as veteran teachers and leaders Even though most churches provide teacher and leader training at least once a year generally these one or two day sessions are unable to answer every question that arises during the year The Nuts Bolts of Christian Education is a practical guidebook that leads new and experienced teachers through the challenging and sometimes confounding landscape of the education ministry of a congregation This is not a collection of lesson plans it is a chock full survey of nearly every aspect of Christian education one could imagine DOING Christian Education starts here

Torn Threads By Karen Lynn Johnson and Kathrynne Willison Sackett,2009-10-22 Although much of today s literature offers snappy fantastical plots Torn Threads stands out as an expansive and descriptive historical journey It follows an unforgettable character through 35 years of emotional sweeping changes brought about by war and by circumstance Beginning in pre war England in 1931 the story chronicles the life of Doreen Bailey first as she comes to terms with leaving a monastic life Then her new pursuits are interrupted by the events of World War II Her husband enlists in The Royal Navy and soon their daughter is evacuated to the countryside Their lives take divergent paths changing forever This is an historical narrative that includes real and significant war events yet the story doesn t end in 1945 It deftly crosses the ocean and picks up in America where perhaps the characters face their truest tests of courage and persistence Their stories will grip you from the beginning and stay in your memory long after finishing the book Born on the Battlefield Too John Henry James 3rd,2015-03-11 This book is intended to be read with your authorized Bible The information contained in this book and the other two in this Born on the Battlefield series are designed to open your thought processes and make you see how truly unique and magnificent the Bible truly is and can be in your life These books are intended to direct the reader to recognize the impact that spiritual warfare can have on the believer s life and how they can prepare for every circumstance and each

trial that they face Special thanks to the James family James and Sandra Smith as well as Nicole Marie Osborne for their help
