questions that Christians must be able to answer biblically in order to live a transformed life The latest data from researcher George Barna s polls across America shows that we are confused by the issues that confront us today We find ourselves wrestling with what is right and wrong Some of us cut ethical corners and don t even know it We often base our actions on what feels right or keeps people happy rather than on what is best or true All because Barna concludes we lack an active clear belief system based on solid scriptural principles Now more than ever we need a way of life that brings us clarity in chaos peace in the problems and boldness in the bad times We need a new way of seeing a biblical perspective that guides our every thought and action What is a biblical perspective on life To put it simply Barna says it is a way of dealing with the world so that we act like Jesus twenty four hours a day because we think like Jesus It s like wearing a pair of eyeglasses that enable us to see things differently to see things from God s point of view and to respond to these perceptions in the way He prescribes Think Like Jesus Uncovers the seven core beliefs of Christianity necessary for developing a strong Christian worldview Provides a firm explanation of why Christians believe what we believe Includes detailed statistics and polls on where Americans agree with the Bible on key topics Exposes causes of concern in modern Christianity through the misalignment of key beliefs Would you like to simplify your life shore up your moral foundations and strengthen your Christian witness Think Like Jesus can help you chart a path that will allow you to make a difference for eternity in your home your job your church and your community
