Developing Healthy Churches A Case Study In Revelation:

DEVELOPING HEALTHY CHURCHES Kieran Beville, 2014-12-10 In an age obsessed with physical and psychological health the author emphasizes the importance of spiritual well being as an essential element of holistic health for the individual Christian and for Christian communities This work constitutes a template for a spiritual audit of the local church It offers an appointment with the Great Physician that no Christian can afford to ignore *Developing Healthy Churches A Case Study in Revelation* begins with a well researched outline of the origins and development of the church health movement With that background in mind the author aware that throughout the history of the church there have been a number of diverse views about how Revelation ought to be interpreted presents the reader with four distinct interpretive models These are the idealist preterist historicist and futurist Beville explains these interpretive approaches simply and critiques them fairly Revelation is a complex but intriguing book which presents seven letters to the churches of Asia Minor However this easy to read work will take readers to the heart of the matter by taking them to the heart of Jesus The historical and cultural background provides fascinating insights to the meaning of Christ's words to those churches then and to all churches now The author elicits essential application for the church today He presents timeless and timely truths in a fresh and forthright manner The reader is informed about issues of particular historical significance in a way that has contemporary resonance Here is a work that cautions about complacency confronts compromise and challenges the carnality of Christians in contemporary culture Beville tells us not only what Jesus desires from his disciples but also what He demands Thus this work presents uncomfortable truth for comfortable churches because it allows the voice of Jesus to be heard with clarity amongst the clamor of church activity Christians who want to restore their vision and vigor will find this book immensely profitable

THE CHURCH COMMUNITY IN CONTEMPORARY CULTURE Kieran Beville, 2016-02-12 Once upon a time Postmodernism was a buzz word It pronounced Modernism dead or at least in the throes of death It was a wave that swept over Christendom promising to wash away sterile dogmatic and outmoded forms of church But whatever happened to postmodernism It was regarded as the start of a major historical transition to something new and promising and hailed as a major paradigm shift Is it a philosophy that has passed its sell by date No The radical fringe has become the dominant view and has been integrated into all aspects of life including the Christian church With the emergence of multicultural societies comes interaction with different belief systems and religions Values like tolerance and a dislike of dogmatism have become key operating concepts which reflect a change in worldview This change is affecting every area of life including the way we believe and what we believe The effects are far reaching Postmodernism presents new challenges and opportunities for Christians In this book Kieran Beville presents Postmodernism as a quest for significance meaning and belonging and outlines evangelistic strategies for reaching Postmodern people with the abiding good news of the gospel

DEFENDING AGABUS AS A NEW TESTAMENT PROPHET Sung Cho, 2018-03-27 Agabus is a mysterious prophetic figure that appears

only twice in the book of Acts Though his role is minor he is a significant figure in a great debate between cessationists and continualists On one side are those who believe that the gift of prophecy is on par with the inspired Scriptures infallible and has ceased On the other side are those who define it as fallible and non revelatory speech that continues today in the life of the church Proponents of both camps attempt to claim Agabus as an illustration of their convictions This study defends the position that Agabus prophecies are true in every detail Beginning with a survey of major figures in the debate the author conducts an exegetical analysis of passages where Agabus appears in defense of the infallible view **BREAD OF HEAVEN** Kieran Beville,2016-02-29 BREAD OF HEAVEN helps the reader to have a greater understanding of the timeless truths of Scripture and a deeper appreciation of the grandeur of God It offers meditations on selected Scriptures which will draw the reader s attention upwards to the Savior Kieran Beville s daily devotional combines down to earth unstuffy humanity in today s world with a biblical and God centered approach and draws on rich theology in a thoroughly accessible way He addresses not just the intellect and the will but gets to the heart our motivational center through the mind If your Christian life could benefit from a short well written daily blast of Christ s comfort and challenge get this book and use it These short Bible based meditations are fresh and contemporary Beville gives to the twenty first century reader what earlier authors have given to theirs Here is practical wisdom that is a helpful guide to stimulate worship and set you thinking as you begin each day with God For each day of the year the author has provided the reader with 1 a biblical thought 2 a daily text 3 a substantive paragraph as well as 4 a daily schedule for Bible reading All of which can be consumed in but a moment yet be considered and meditated on throughout the day The paragraph for each daily text gives the reader the meaning of the Scripture as well as how it can be applied in our Christian lives Beville recommends that the reader takes the necessary time to read and meditate on this spiritual food each day **Encountering Theology of Mission (Encountering Mission)** Craig Ott,Stephen J. Strauss,Timothy C. Tennent,2010-05-01 This fresh comprehensive text fills a need for an up to date theology of mission It offers creative approaches to answering some of the most pressing questions in theology of mission and missionary practice today The authors who are leading mission experts discuss biblical theology of mission provide historical overviews of the development of various viewpoints and address theologically current issues in global mission from an evangelical perspective This readable yet thorough text integrates current views of the kingdom of God and holistic mission with traditional views of evangelism and church planting It also brings theology of mission into conversation with ecclesiology and eschatology Topics covered include contextualization the missionary vocation church and mission and theology of religions Sidebars and case studies enable readers to see how theology of mission touches real life mission practice Religious and Theological Abstracts ,2006 **The Review of the Churches** ,1893 **The New Music Review and Church Music Review** ,1921 **Church Music Review and Official Bulletin of the American Guild of Organists** ,1923 **The Christian Union** ,1884 **The Christian Union** Henry Ward Beecher,1883 **New-Church Messenger** ,1894
