Development Studies Paper1 Question Paper 2013:

Psychosocial Perspectives on Peacebuilding Brandon Hamber, Elizabeth Gallagher, 2014-11-04 The book Psychosocial Perspectives on Peacebuilding offers a template for those dealing with the aftermath of armed conflict to look at peacebuilding through a psychosocial lens This Volume and the case studies that are in it starts from the premise that armed conflict and the political violence that flows from it are deeply contextual and that in dealing with the impact of armed conflict context matters The book argues for a conceptual shift in which psychosocial practices are not merely about treating individuals and groups with context and culturally sensitive methods and approaches the contributors argue that such interventions and practices should in themselves shape social change This is of critical importance because the psychosocial method continually highlights how the social context is one of the primary causes of individual psychological distress The chapters in this book describe experiences within very different contexts including Guatemala Jerusalem Indian Kashmir Mozambique Northern Ireland South Africa and Sri Lanka The common thread between the case studies is that they each show how psychosocial interventions and practices can influence the peacebuilding environment and foster wider social change Psychosocial Perspectives on Peacebuilding is essential reading for social and peace psychologists as well as for students and researchers in the field of conflict and peace studies and for psychosocial practitioners and those working in post conflict areas for NGO s *The Mega Yearbook 2021 for Competitive Exams - 6th Edition* Disha Experts, **Quarterly**

Solecki, Patricia Romero-Lankao, Shagun Mehrotra, Shobhakar Dhakal, Somayya Ali Ibrahim, 2018-03-29 Climate Change and Cities bridges science to action for climate change adaptation and mitigation efforts in cities around the world Global Land Grabs Marc Edelman, Carlos Oya, Saturnino M. Borrás Jr., 2016-03-22 Since the 2008 world food crisis a surge of land grabbing swept Africa Asia and Latin America and even some regions of Europe and North America Investors have uprooted rural communities for massive agricultural biofuels mining industrial and

urbanisation projects Water grabbing and green grabbing have further exacerbated social tensions Early analyses of land grabbing focused on foreign actors the biofuels boom and Africa and pointed to catastrophic consequences for the rural poor Subsequently scholars carried out local case studies in diverse world regions The contributors to this volume advance the discussion to a new stage critically scrutinizing alarmist claims of the first wave of research probing the historical antecedents of today s land grabbing examining large scale land acquisitions in light of international human rights and investment law and considering anew longstanding questions in agrarian political economy about forms of dispossession and accumulation and grassroots resistance Readers of this collection will learn about the impacts of land and water grabbing the relevance of key theorists including Marx Polanyi and Harvey the realities of China s involvement in Africa how contemporary land grabbing differs from earlier plantation agriculture and how social movements and rural people in general are responding to this new threat This book was published as a special issue of Third World Quarterly

Africa's Lions Haroon Bhorat, Finn Tarp, 2016-11-08 Examining the economic forces that will shape Africa s future Africa s Lions examines the economic growth experiences of six fast growing and or economically dominant African countries Expert African researchers offer unique perspectives into the challenges and issues in Ethiopia Ghana Kenya Mozambique Nigeria and South Africa Despite a growing body of research on African economies very little has focused on the relationship between economic growth and employment outcomes at the detailed country level A lack of empirical data has deprived policymakers of a robust evidence base on which to make informed decisions By harnessing country level household firm and national accounts data together with existing analytical country research the authors have attempted to bridge this gap The growth of the global working age population to 2030 will be driven primarily by Africa which means that the relationship between growth and employment should be understood within the context of each country s projected demographic challenge and the associated implications for employment growth A better understanding of the structure of each country s workforce and the resulting implications for human capital development the vulnerably employed and the working poor will be critical to informing the development policy agenda As a group the six countries profiled in Africa s Lions will largely shape the continent s future Each country chapter focuses on the complex interactions between economic growth and employment outcomes within the individual Africa s Lions context

World Survey on the Role of Women in Development United Nations Publications, 2015-06-30 Ensuring women s economic empowerment and access to and control over resources requires an integrated approach to growth and development focused on gender responsive employment promotion and informed by the interdependency between economic and social development Social objectives need to be incorporated into economic policies Economic growth strategies should give attention to the real economy and focus on creating a gender sensitive macroeconomic environment full employment and decent work access to land property and other productive resources as well as financial services and full coverage of social protection measures The Survey outlines a number of

concrete recommendations in these critical areas which if adopted will facilitate women s equitable access to and control over economic and financial resources Policing and Boundaries in a Violent Society Guy Lamb,2022-01-31 This book explores how social and territorial boundaries have influenced the approaches and practices of the South Africa Police Service SAPS By means of a historical analysis of South Africa this book introduces a new concept police frontierism which illuminates the nature of the relationships between the police policing and boundaries and can potentially be used for future case study research Drawing on a wealth of research this book examines how social and territorial boundaries strongly influenced police practices and behaviour in South Africa and how social delineations amplify and distort existing police prejudices against those communities on the other side of the boundary Focusing on cases of high density police operations public order policing and the recent policing of the COVID 19 lockdown this book argues that poor economic conditions combined with an increased militarisation of the SAPS and a decline in public trust in the police will result in boundaries continuing to fundamentally inform police work in South Africa This book will be of interest to scholars and students interested in policing in post colonial societies characterised by high levels of violence as well as police work and police militarization Urbanization and Development ,2016 The analysis of urban development of the past twenty years presented in this maiden edition of the World Cities Report shows with compelling evidence that there are new forms of collaboration and cooperation planning governance finance and learning that can sustain positive change The Report unequivocally demonstrates that the current urbanization model is unsustainable in many respects It conveys a clear message that the pattern of urbanization needs to change in order to better respond to the challenges of our time to address issues such as inequality climate change informality insecurity and the unsustainable forms of urban expansion **UNDOC, Current Index** Dag Hammarskjöld Library,1996 **Bibliographie der Wirtschaftswissenschaften** ,1999 Subject Catalog Library of Congress,1975 *A Study of Education and Resilience in Kenya's Arid and Semi-arid Lands* Patta Scott-Villiers,2015 **National Human Development Report 2014 - Ethiopia** United Nations Publications,2015 Over the 15 years since the countrys last National Human Development Report NHDR was published Ethiopia has undergone significant economic and social changes and has recorded some of the highest growth rates in the world over 10 per cent in some years However Ethiopias Human Development Index HDI and its relative ranking have not moved appreciably during the past decade Even though Ethiopia is one of the 10 countries globally that has attained the largest absolute gains in its HDI over the last several years it still ranks 173rd out of 186 countries in the latest UNDP Human Development Report It is this development challenge that underlines the fact that the preparation of the NHDR is so opportune now and why the focus of the report on inclusive growth for sustainable human development is so apposite In 1998 when the last NHDR was written the development challenges facing the country were considerably different *Solar Cells: Research and Development of Solar Cells* Stanislav Kolisnychenko,2015-07-31 Aggregated Book **Journal of Economic Literature** ,2014 **Progress**
