■ DANTE

A human-demon hybrid born to the legendary demon, Sparda, and a human woman. Through he hates demons with every fiber of his being, Dante is a fast-talker with a flippant attitude. Despite being young, he's an exceptionally skilled fighter who expertly wields his father's old longsword, Rebellion, and a pair of handguns named Ebony and Ivory. He's committed to slaying demons whenever they may appear, but in the meantime he runs a handyman shop. Dante flourishes when hunting down demons.

In a rare twist, I was pleased with the pose, face contours, body balance, and overall feel of the character. After the fact, Ikeda claimed that he "really likes this Dante", but he had a lot of misgivings during the design process. (laughed) Ask him about it now and he won't remember saying anything, though. (Omori)
