Understanding Bible Prophecy

Many have considered the book of Revelation to be a sealed book and unable to be understood. However, the word Revelation comes from the Greek name Apokalypsis, which means a disclosure, a revelation or manifestation and to be revealed. So we find that the book of Revelation is not only an open book but its contents are definitely intended to be revealed and understood by us if we take a little time to study it. It is in fact a revealing of Jesus Christ Himself. Note carefully these first three verses of Revelation.

Here are the truths that concern our present and future welfare. Testimonies for the Church Vol 8, pg 302.
