

The **Arithmetic Placement Test** is designed to determine whether a student has sufficient arithmetic skills.

The following problems are similar to those given on the screening test. If you take some time to practice, your score will surely be higher. The answers to the problems appear at the end of this material.

The screening test is timed (1 hour) so your practice should be for accuracy and speed. There are thirty-six problems on the test and a **score of 27 or better** is passing. Only one retake of the test is allowed. **Students who are not successful in the retake must enroll in MAT 005. Calculators will not be permitted.**

There is **no fee** to take the placement test. **Students must bring a valid photo ID and know their social security number or AACC Student ID Number.**
