House of Twenty-Two Buffalos Jahed Rahman, 2017-11-30 The book is fiction dealing with common social milieus and priorities prevalent in Bangladesh for protecting and carrying on family traditions and values This has been ubiquitous in Bangladesh for quite some time more so in rural areas notwithstanding an evident declining trend In most negotiated marriage relationships the emphasis manifestly still is on family aristocracy traditions and good names In the social milieu of British India heightened by the decline in Muslim inhabitants power and authority with the evident waning of wealth and standing preservation of family prestige and locus gained earlier took prominence Such families may inwardly suffer from all negativities but outwardly they are to put up an aristocratic bearing House of Twenty Two Buffalos is such a story It deals with the sustained effort of a recent affluent family trying to climb the ladder of aristocracy while a prominent aristocratic house was burdened by tradition laden specifics The former was basking in current financial affluence but had the frustration of having mundane background generations before The latter was trapped to false pronouncements of earlier generations and carry over pride to the present ignoring bliss passion and feelings Both the families however suffered from a common proclivity to resist changes in social and family lives even though both the families eventually submitted to those The palpable loss was the years passed by and the deprivation of time and tenderness during the intervening period The story deals with varied characters in relevant sociopolitical context of the time However all of them remain relevant in the broader context of present social setting The character of Qulsum born in a most vexing situation and growing up in rumored settings portrays the best outcome of discreet desire in tandem with supportive and warm care of a husband and an avowed mind set of a younger brother in law Their progressions reside and epitomize the struggle of the new gene to break through that burden with decency Poris personality and character reflect that knowledge and wisdom are not just limited to books and affluence The traits of Kalon Master and Rushni expose true and committed

characters whose commitment contribution and sacrifice largely influenced the outcome of the Bangladesh War of Liberation and the sustenance of those ideals Similarly Sher Didar Khan brings out the innocent inner feelings hidden within a big physique contrary to ruthless reflection of the authority of his official position *The World of Muslim Women in Colonial Bengal, 1876-1939* Sonia Amin,2021-10-11 This highly interesting book studies the cultural context of modernisation of middle class Muslim women in late 19th and 20th century Bengal Its frames of reference are the Bengal Awakening the Reform Movements Brahmo Hindi and Muslim and the Women s Question as articulated in material and ideological terms throughout the period Tracing the emergence of the modern Muslim gentlewomen the bhadramahil starting in 1876 when Nawab Faizunnesa Chaudhurani published her first book and ending with the foundation in 1939 of The Lady Brabourne College the book gives an excellent analysis of the rise of a Muslim woman s public sphere and broadens our knowledge of Bengali social history in the colonial period **Quality of Education and Campus Violence** Qazi Kholiquzzaman Ahmad,2000 **Turbulence and Tranquillity** Azizul Jalil,2006 2011 Updated Reprint Updated Annually Bolivia Business and Investment Opportunities Yearbook **Muslim Education Quarterly** ,1984 **Bangladesh Quarterly** ,1991-12 **Shaping the Future** ,1997 An account of the Independent University Bangladesh a private university located in Dhaka *Items - Social Science Research Council* Social Science Research Council (U.S.),1993 **JPRS Report** ,1991 **Bangladesh Journal of Law** ,1997 **Public Libraries in Bangladesh** Md.
