Christian Colleges And Universities

Katrin Zwirglmaier

Christian Colleges And Universities:

The Christian College (RenewedMinds) William C. Ringenberg, 2006-04-01 When it first appeared in 1984 The Christian College was the first modern comprehensive history of Protestant higher education in America Now this second edition updates the history featuring a new chapter on the developments of the past two decades a major introduction by Mark Noll a new preface and epilogue and a series of instructive appendixes

The Christian College and the Meaning of Academic Freedom William C. Ringenberg, 2016-04-08 The Christian College and the Meaning of Academic Freedom is a study of the past record and current practice of the Protestant colleges in America in the quest to achieve intellectual honesty within academic community William C Ringenberg lays out the history of academic freedom in higher education in America including its European antecedents from the perspective of modern Christian higher education He discusses the Christian values that provide context for the idea of academic freedom and how they have been applied to the nation s Christian colleges and universities The book also dissects a series of recent case studies on the major controversial intellectual issues within and in in some cases about the Christian college community Ringenberg ably analyzes the ways in which these academic institutions have evolved over time outlining their efforts to evolve and remain relevant while maintaining their core values and historic identities

Campus Life Guide to Christian Colleges and Universities Mark Moring, 1998 The editors of CampusLife magazine address the top 100 questions students and their parents ask when choosing a college

Seeing the Light Samuel Schuman, 2010-01-18 Samuel Schuman examines the place of religious colleges and universities particularly evangelical Protestant institutions in contemporary American higher education Many faith based schools are flourishing They have rigorous academic standards impressive student recruitment ambitious philanthropic goals and well maintained campuses and facilities Yet much of the U S higher education community ignores them or accords them little respect Seeing the Light considers instead what can be learned from the viability of these institutions The book begins with a history of post secondary U S education from the perspective of the religious traditions from which it arose After focusing briefly on nonevangelical institutions Schuman next looks at three Roman Catholic institutions the College of New Rochelle Villanova University and Thomas Aquinas College He then profiles evangelical colleges and universities in detail discovering the factors contributing to their success These institutions range from nationally recognized to little known from rich to poor with both highly selective and open admission requirements Interviews with key administrators faculty and students reveal the challenges the successes and the goals of these institutions Schuman concludes that these schools Baylor University Anderson University New Saint Andrews College Calvin College North Park University George Fox University Westmont College Oral Roberts University Northwestern College and Wheaton College and others like them offer important and timely lessons for the broader higher education community

The Dying of the Light James Tunstead Burtchaell, 1998 Scholar and educator James Tunstead Burtchaell provides case

studies of 17 prominent colleges and universities with diverse ecclesial origins analyzing the processes that eroded the bonds between school and church over time *The Idea of a Christian College* Todd C. Ream, Perry L. Glanzer, 2013-10-28 In 1975 Arthur F Holmes published *The Idea of a Christian College* At the time he could not have imagined his book would gather such a large following This work's thoughtful yet accessible style made it a long standing choice for reading lists on Christian college and university campuses across the country and around the world Countless numbers of first year students have read and discussed his book as part of their introduction to the Christian college experience However enough has changed since 1975 in both the Church and Academy to now merit a full scale reexamination In this book Todd C Ream and Perry L Glanzer account for changes in how people view the Church and themselves as human agents and propose a vision for the Christian college in light of the fact that so many Christian colleges now look and act more like research universities Including topics such as the co curricular common worship and diversity Ream and Glanzer craft a vision that strives to see into the future by drawing on the riches of the past First year students as well as new faculty members and administrators will benefit from the insights in this book in ways previous generations benefitted from Arthur Holmes's efforts Quality with Soul Robert Benne, 2001 This book demonstrates that despite much evidence to the contrary there are still Christian colleges and universities of high academic quality that have also kept their religious heritages publicly relevant Respected scholar Robert Benne explores how six schools from six different religious traditions Calvin College Wheaton College St Olaf College Valparaiso University Baylor University and the University of Notre Dame have maintained quality with soul These constructive case studies examine the vision ethos and personnel policies of each school showing how and why its religious foundation remains strong **A Guide to Christian Colleges** Christian College Coalition (U.S.), 1982 Why College Matters to God Rick Ostrander, 2021-01-26 A trusted first year text at Christian colleges and universities *Why College Matters to God* is a brief easy to read introduction to the unique purpose of a Christian college education It has been widely used by Christian colleges and universities over the past decade because of its unsurpassed ability to be substantive yet accessible The book draws on the insights of a wide range of Christian philosophers theologians historians and scientists but communicates key concepts in straightforward language that connects with a general audience Brief enough to be paired with other texts *Why College Matters to God* is an ideal introduction to the why and how of Christian learning for students faculty staff and parents The third edition preserves the qualities of the previous editions along with updated illustrations and new material on important topics such as Christian learning and the challenges of technology Christian vocation career preparation and the liberal arts Diversity and civility on campus The habits of the highly effective college student **The Idea of a Christian University in Today's World** Ben C. Fisher, 1989 **Religious Colleges and Universities in America** Thomas Hunt, James Carper, 2018-10-10 Originally published in 1988 *Religious Higher Education in the United States* is a selected bibliography of sources addressing how religion has changed and affected education in the United States

This volume attempts to address the problems currently facing religious institutions of higher education covering government aid and the regulation of religious colleges and universities in the US *China's Christian Colleges* Daniel Bays, Widmer, 2009-02-27 *China's Christian Colleges* explores the cross cultural dynamics that existed on the campuses of the Protestant Christian colleges in China during the first half of the twentieth century Focusing on two way cultural influences rather than on missionary efforts or Christianization these campuses most of which were American supported and had a distinctly American flavor were laboratories or incubators of mutual cultural interaction that has been very rare in modern Chinese history In this Sino foreign cultural territory the collaborative educational endeavor between Westerners and Chinese created a highly unusual degree of cultural hybridity in some Americans and Chinese The thirteen essays of the book provide concrete examples of why even today more than a half century after the colleges were taken over by the state long lasting cultural results of life in the colleges remain

Choose a Christian College Christian College Coalition (U.S.), Peterson's Guides Staff, 1994 The most comprehensive guide of its kind features updated information that students need for informed decision making enrollment statistics denominational affiliation admissions procedures majors offered highlights of campus life athletic programs tuition financial aid options and much more [Models for Christian Higher Education](#) Richard Thomas Hughes, William B. Adrian, 1997 This is a print on demand book and is therefore non returnable This timely look at the state of Christian higher education in America contains descriptive historical narratives that explore how fourteen Christian colleges and universities are successfully integrating faith and learning on their campuses despite the challenges posed by the increasingly pluralistic nature of modern culture Written by respected representatives from seven major faith traditions Roman Catholic Lutheran Reformed Mennonite Evangelical Wesleyan Holiness and Baptist Restorationist these narratives are also preceded by introductory essays that define the worldview and theological heritage of each given tradition and ask what that tradition can contribute to the task of higher education

Re-Imagining Christian Higher Education Laurie Schreiner, 2018-12-07 *Re-Imagining Christian Higher Education* takes a fresh and critical look at the challenges facing Christian colleges and universities and provides concrete recommendations for university leaders faculty and staff to implement in their daily work Chapters in this book address leadership and diversity challenges issues of affordability and sustainability and ways of maintaining the distinguishing features of a Christ centered liberal arts education A vivid and compelling picture of the Christian university of the future is painted by these authors as they highlight the importance of embracing our Christian identity while being willing to engage a pluralistic and fragmented world Firmly rooted in a missional identity of faithful learning that is committed to the intellectual personal and spiritual development of our students Christian colleges and universities are encouraged to reclaim and revitalize the breadth and depth of the Christian tradition in order to move forward The chapters in this book were originally published as a special issue of *Christian Higher Education*

Conceiving the Christian College Duane Litfin, 2004-09-24 This book is designed

to help those who are interested in Christian higher education explore anew the unique features opportunities and contemporary challenges of one distinct type of educational institution the Christian college What distinguishes Conceiving the Christian College from the many other books on this subject is its incisive discussion of a set of crucial ideas widely misunderstood in the world of Christian higher education Now serving in his eleventh year as president of one of the nation s foremost Christian colleges Duane Litfin is well placed to ask pressing questions regarding faith based education What is unique about Christian colleges What is required to sustain them How do they maintain their bearing in the tumultuous intellectual seas of the twenty first century Litfin s themes are large but they are meant to refocus the conceptual challenges to Christian education in ways that will strengthen both the academic environment of today s Christian colleges and their impact on culture at large

Already Compromised Dr. Greg Hall, Steve Ham, Todd Hillard, 2011-05-01 Will a Christian college build a student s faith or tear it down Parents and students sacrifice large sums of money for a Christian college education Why They are purchasing a guarantee their child s faith in God and the Bible will be guarded and developed But is the Bible being taught Will they graduate believing in the inerrancy of Scripture the Flood of Noah s Day and a literal six day creation Apologetics powerhouse Ken Ham and Dr Greg Hall reveal an eye opening assessment of 200 Christian colleges and universities In an unprecedented 2010 study by America Research Group college presidents religion and science department heads were polled on critical areas of Scripture and core faith questions Ken Ham is an accomplished author of some of the most popular and effective apologetics research on the market He is the founder of Answers in Genesis U S and the president of the Creation Museum I have no doubt that the average church member would be shocked and outraged to discover how many supposedly evangelical colleges and universities have more or less given up their commitment to biblical inerrancy and the authority of Scripture especially when dealing with the early chapters of Genesis I m grateful for this important work by Ken Ham and Greg Hall documenting the many compromises that have ravaged the Christian academy Already Compromised is a much needed wake up call and a summons to arms for faithful courageous Bible believers We need to stand up declare our faith and defend the truth of Scripture courageously The stakes are high and the battle may be more fierce than ever but God will bless those who honor His Word May He bless us with clear unwavering voices John MacArthur

Christian Colleges & Universities, 2000

Opening the Red Door John A. Bernbaum, 2019-09-17 After the Berlin Wall fell a group of Christian colleges in the U S seized the opportunity to help build a faith based university in Moscow Told by the school s founder and president this is the story of the rise and fall of the first accredited Christian liberal arts university in Russia s history offering unique insight on Russia s post communist transition and the construction of a cultural educational bridge between the two superpowers
