# Strengthen Your Faith

By Maya Anthony

In storms when darkness hides the way,  
His love shines bright, dispelling gray.  
Though waves may crash and winds may blow,  
In His embrace, we're safe we know.

His love's an anchor, firm and strong,  
In Him, we find where we belong.  
No storm too fierce, no night too long,  
With faith in Him, we'll always be strong.

Trust in His love, let worries cease,  
In turbulent times, He brings us peace.  
For in the darkest, trying night,  
His love's the beacon, our guiding light.

E. Rollins,2002 This collection of frank and sincere Christian poems might be described as a spiritual Bridget Jones diary The poet expresses her intimate conflicts and concerns as she anticipates the eventual consummation of her marriage Perhaps one of the main values of the collection is that it conveys a message for many young Christians and older ones too not just those preparing for marriage that the conflicts they experience are absolutely normal and can be resolved and sanctified in so far as our dwelling place is not an earthly place but the Lord who is the same yesterday today and tomorrow The poet expresses a roller coaster of emotions as she comes to terms with the age old conflict of the flesh versus the spirit

Overby, 2019-03-15 With every great writer there came an initial spark of inspiration Often this spark ignites a fire that has the potential of being a raging inferno Such was the case of this book *From Glory to Glory* which took nearly four decades to write and compile The initial spark came in 1967 and did not turn into a blazing fire until the year 2000 By then the author realized that writing was a God given talent and was a calling in his life It was then that he fully embraced that truth Listening to the still voice that was in him Ken was led by the Holy Spirit to focus on writing poems that were inspired by God He wanted to captivate the reader with poems that had meaning and purpose ones that would lead people to the truth and then the truth would set them free The secret that Ken discovered was if you give God the glory then everything turns out right because you have gained His favor And after God s favor come His blessings Truth and transparency have been two important traits of Ken s DNA He doesn t feel he has accomplished what he has set out to do until you have captured his essence This is key So many times we see people who deceive others by being untruthful and by walking in the shadows Ken seeks to change that He believes that the truth is the light Chosen by God to spread His message of agape godly and unconditional love in the simplest and most direct way Ken seeks to make a difference in this world by touching one person at a time As you read this book may you not only extract the message of each poem but may you also feel his heartbeat for all mankind      **Poetry and the Religious Imagination** Francesca Bugliani Knox, David Lonsdale, 2016-04-22 What is the role of spiritual experience in poetry What are the marks of a religious imagination How close can the secular and the religious be brought together How do poetic imagination and religious beliefs interact Exploring such questions through the concept of the religious imagination this book integrates interdisciplinary research in the area of poetry on the one hand and theology philosophy and Christian spirituality on the other Established theologians philosophers literary critics and creative writers explain by way of contemporary and historical examples the primary role of the religious imagination in the writing as well as in the reading of poetry      The Magazine of Christian Literature , 1891
