

A woman with long brown hair, pointed elf ears, and a bright white halo. She is looking directly at the camera with a slight smile, her hands clasped in front of her. She is wearing a dark blue garment with a green gem on the collar. The background is dark, and the entire image is framed by a blue and gold border.

Demean The Elf Queen Milk And Maidens Erotica:

The Elf Maiden's Body Swap with the Minotaur Danica Slate, 2014-08-14 Feldar is a mighty Minotaur warrior feared and respected amongst his people But then he draws the ire of a vengeful Elven witch and when one of her spells goes awry he finds himself unexpectedly trapped in the body of the sultry seductress Soon he is captured by another group of minotaur his own people But the fierce warriors fail to recognize their own and soon Feldar is taken bound and helpless as a slave back to his own village Now publicly displayed for all the village to see Feldar finds himself succumbing to the passions of the strange new body he inhabits But just as he begins to lose himself to throes of lust while the monstrous creatures look on a lone minotaur enters the cage intent on claiming the elf maiden for a prize The witch herself now wearing Feldar s skin The thing that wore Feldar s shape crouched down beside its prone captive wrapped a massive arm around the cowering form The creature s bovine scent washed over her as he pulled her in close leaning forward to whisper in her ear You nearly defeated me Feldar The creature s whisper was hot on her cheek She looked up into his eyes seeing at last a familiar mocking expression one that had sat upon a very different brow just this morning atop a certain mountain pass The witch Feldar gasped The minotaur smiled with a slight inclination of his head Salindara I am called Though here I am known as Feldar it appears The witch continued with a wry smirk I was so disoriented I nearly tumbled down that damned mountain The other minotaur stumbled upon me and bound my wounds taking me for one of their own It took but a few simple spells to conjure up the appropriate memories and mannerisms to make the illusion complete But why Feldar s mind reeled What have you to gain from impersonating me Why my pet I should think you would understand quite well I plan to avenge myself upon you for ruining my wares slaying my men and trying to kill me And I assure you that the vengeance of a witch is much more severe than what even your savage people are accustomed to The minotaur leaned in close his teeth bared in a wicked grin Now that I have you in my grasp I won t be letting you go so easily my pet Suddenly Feldar was seized in the minotaur s powerful grasp her body hefted into the air with effortless ease She flailed about but Salindara s hold only tightened around her I claim this one as my prize the minotaur called out though I may be persuaded to share her after I am finished
