

Business Analysis Paper

Company selection: Select a large enterprise, at least 1000 employees

Group Selection: 2 or 3 students per group

Note: Proposal due May 8th should clearly state

- The company you have chosen to research
- What industry they are in, and general competitive environment
- Where they stand – market share, positioning
- What questions you plan to address in your project
- Where you intend to get the information

Objective

Analyze how your company competes to be a leader in their field, focusing on the utilization of information and information technology.

This project description is deliberately open-ended, giving you the flexibility to focus on the areas most relevant to your topic. You should plan to include sections such as

- (1) A summary of the goals of the company
 - a. What industry they are in
 - b. What does that industry offer to customers and society?
 - c. What is the size of that industry?
 - d. Who the other major players are in that industry
 - e. What market share they hold
