business law In Business Law Made Simple you ll learn the major principles phrases and real life implications of business law
just as I teach them in my undergraduate and graduate business law courses This book has the principles distilled to their
core concepts with examples to help give shape to the ideas Let s face it a survey business law course skims the surface of
the topics Contracts You might spent a week or two on them in business law In law school contracts is a two semester course
Employment law will get a day or two in your business law course instead of a full semester What you need to survive and
thrive in the class is someone to help you understand the key principles without layers of detail That s where this book can
help you Discusses only relevant case laws to the topics Fully explains key words phrases and concepts Contains jargon free
explanations and definitions Includes narrative examples to illustrate situations and concepts *Index to Legal Periodicals*
