Business Law with UCC Applications Paul Sukys, 2023 *Business Law with UCC Applications* has reached its sixteenth edition. Over the last four decades the text has undergone many changes. When it was first printed, photographs were rarely used and sometimes completely forbidden by the editorial staff. Ancillaries were limited to teacher-friendly test banks and transparencies, and the language used in an attempt to mimic legalese was often just a bit too formal. Today the pages are filled with photographs, charts, diagrams, and features, and multiple digital ancillaries are available to both the instructor and the student.

All of the chapters for this edition have been updated, and we have continued to enhance our coverage of the important topics of cyber commerce, international law, identity theft, trade secrets, abandoned property, eminent domain, mortgages, bankruptcy, limited liability companies, LLC, ethics, the Dodd-Frank Act, the new health care act, revised Uniform Partnership Act, the Genetic Information Nondiscrimination Act, the War Powers Act, changes in state law regarding collective bargaining, the proposed changes in patent law, proposed changes in the court system, the War Powers Act, and Alternative Dispute Resolution. Material is presented in nine sections which include relevant case studies featuring excerpts from the court's opinion. Content has been updated to reflect the many recent changes in the legal field, and color photos throughout the text help students relate the material to their own lives.
