Federal Register ,2013-07 Aircraft Accident Report ,197? **The Faith** Charles W. Colson,Harold Fickett,2008 In this powerful book Chuck Colson and Harold Fickett identify Christianity s two great contemporary threats anti theism and radical Islam and a third challenge Christians who no longer understand their faith or the biblical truths upon which it is founded There has never been a time they say when we needed more the strong culture building life affirming influence of biblical Christianity This book reconnects Christians with the unshakable tenets of their faith truths shared by all true Christians that offer a ground for faith in uncertain times and a basis for reconciliation in a world at war with God and itself

The Faith Charles Colson,Harold Fickett,2008-08-19 Rightly understood and rightly communicated the Christian faith is one of great joy It is an invitation to God s kingdom where tears are replaced by laughter and longing hearts find their purpose and their home This is the heart of the gospel God s search to reclaim us and love us as his own But have we truly grasped this Those of us who have disdained Christianity as a religion of bigotry have we repudiated the genuine article or merely demonstrated our own prejudice and ignorance Those of us who are Christians have we deeply apprehended the mission of Jesus and do our ways and character faithfully reflect his beauty From the nature of God to the human condition to the work of Jesus to God s coming kingdom and all that lies between how well do we understand the foundational truths of Christianity and their implications The Faith is a book for our troubled times and for decades to come for Christians and non Christians alike It is the most important book Chuck Colson and Harold Fickett have ever written a thought provoking soul searching and powerful manifesto of the great historical central truths of Christianity that have sustained believers through the centuries Brought to immediacy with vivid true stories here is what Christianity is really about and why it is a religion of hope redemption and beauty **Annual Report to Congress** United States.
