Bone Dust White Macy Greeley Mysteries:

Bone Dust White Karin Salvalaggio, 2014-05-13 Karin Salvalaggio's outstanding crime fiction debut *Bone Dust White* is an absolutely stunning work that signals the entrance of a major new talent. Someone is knocking at the door to Grace Adams' house and he won't stop. Grace thinks she knows who it is but when she goes to her second floor window for a look she sees a woman she doesn't recognize. The woman isn't alone for long before a man emerges from the dark of the surrounding woods, stabs her, and leaves her for dead. Trying to help, Grace goes to the woman and is shocked to find that it's her mother, Leanne, a woman who abandoned her 11 years before. There's nothing she can do and Leanne is already past the point where she can tell Grace what happened all those years ago or why she came back now. While Grace was only a child when Leanne left her, Detective Macy Greeley has been waiting for Leanne ever since she disappeared from Collier, Montana. She's looking to close a case that has been haunting the town for far too long, but Collier is a hard-bitten place where the people are fierce when it comes to keeping their feuds between themselves and keeping secrets hidden in the past. **Silent Rain** Karin

Salvalaggio, 2017-05-09 Salvalaggio whose trademarks include intricate plotting and stark but affecting prose scores another triumph. *Richmond Times Dispatch* Grace Adams has spent three years trying to move on mentally, physically, emotionally from the traumatizing events of her past. But it's not easy when the world is morbidly curious about the crimes that shaped her childhood when despite her changed name people still track her down for the sensational details. Now in college in Bolton, Montana, the one person Grace has trusted with the truth about her past has betrayed her. The bestselling novelist Peter Granger wants to use Grace's story in his next book regardless of how desperate Grace is to keep the details to herself. And then on Halloween night Peter Granger's house burns to the ground and his and his wife's bodies are found inside. Montana state detective Macy Greeley is sent to Bolton to handle the investigation into the fire and deaths which soon appear to be arson and murder. It doesn't take Macy long to realize that Grace isn't the only one whom Peter Granger has betrayed and there are no shortage of others in town who took issue with him and his wife. What at first looked like a straightforward investigation is poised to expose some of Bolton's darkest secrets and the fallout may put more than one life in danger.

Burnt River Karin Salvalaggio, 2024-08-06 Macy Greeley returns in *Burnt River*, another taut and intimate mystery from acclaimed *Bone Dust White* author Karin Salvalaggio. When Detective Macy Greeley is called to Wilmington Creek, a sleepy ranching community in northern Montana, she expects an open and shut, if high-profile murder case. What greets her is anything but. John Dalton, a soldier returned home from serving in Afghanistan, has been shot dead in an alleyway outside a local bar. Macy can't see any obvious motive for the attack, but John's closest friends and his twin sister, Jessie, have been keeping secrets. With a series of wildfires pushing the area's resources to the limit and Darby Lake's water level dropping to a record low, Jessie is becoming increasingly anxious about what may be uncovered if the rains don't return to the valley soon. Haunted by what's hidden beneath the still waters, she doesn't know whether to help or hinder Macy's investigation. And

Macy herself is increasingly uneasy about what she discovers as she navigates the politics of a small town and the Dalton family clan as well as her own complicated relationship with the father of her young son Talking Book Topics ,2017-05
