One New Humanity Kristin Caynor, Werner Mischke, 2025-04-01

Is Jesus the way to recover our humanity One New Humanity offers a vision of glory that confronts the shame and violence of our world Drawing insights from early Christians the global church social sciences and Scripture the authors argue that Ephesians 2:13-17 reveals a social and horizontal dimension to the gospel of Christ In Christ we gain a new peaceable way of being human Through this extensive look at the gospel of peace we discover that Scripture speaks more powerfully than we often realize to the problems of polarization alienation shame and violence The gospel offers a way out of the cycles of violence which have entrapped both the church and the world and opens up a path of true freedom purpose and glory in Jesus One New Humanity offers a fresh framework for Jesus

centered reconciliation we embody Christ's peace for the world near and far Discipleship Dietrich Bonhoeffer, 2015-11-01 Cheap grace is the mortal enemy of our church Our struggle today is for costly grace And with that sharp warning to his own church which was engaged in bitter conflict with the official Nazified state church Dietrich Bonhoeffer began his book *Discipleship* formerly entitled *The Cost of Discipleship* Originally published in 1937 it soon became a classic exposition of what it means to follow Christ in a modern world beset by a dangerous and criminal government At its center stands an interpretation of the Sermon on the Mount what Jesus demanded of his followers and how the life of discipleship is to be continued in all ages of the post resurrection church Every call of Jesus is a call to death Bonhoeffer wrote His own life ended in martyrdom on April 9 1945 Using the acclaimed Dietrich Bonhoeffer Works English translation and adapted to a more accessible format this new edition features supplemental material from Victoria J Barnett and an insightful introduction by Geoffrey B Kelly to clarify the theological meaning and social context of this attempt to resist the Nazi ideology *Biblical Discipleship Study Guide: Essential Components for Attaining Spiritual Maturity* Dr. Todd M. Fink, 2016-05-18 This 16 Week Study Guide is exceptionally practical and life transforming It is taken from the main book *Biblical Discipleship Essential Components for Attaining Spiritual Maturity* However it is a stand alone book study that is designed to be used on its own Its purpose is to take the 14 core principles of discipleship and put them into practice Today we have many ways of defining success in life Some define it as being a sports hero others as being wealthy others as being popular and well liked and still others as being happy How does God define success He defines it as being spiritually mature Union Seminary Quarterly Review , 1975 The McGraw-Hill Encyclopedia of World Biography , 1973 **Bonhoeffer's Ethic of Discipleship** Kenneth Earl Morris, 1986 This is the first book to focus on the ethic that Dietrich Bonhoeffer constructed during the 1930s an ethic he crafted while playing a key role in Christian resistance to Nazism and an ethic still inspiring politically active Christians The ethic of discipleship this study argues represents a reworking of the Christian faith so that it becomes actively opposed to totalitarianism This book therefore adds a significant dimension to the published record concerning the German theologian and pastor executed in 1945 for conspiring to assassinate Hitler and overthrow the Third Reich Since an ethic reflects more than a cognitive assent and has emotional and experiential dimensions the author's approach is socio psychological drawing on the large documentary record of Bonhoeffer's family relations Reductionism however is rejected in this book which gives social psychology parity but not superiority in understanding Bonhoeffer's religious quest and political dialogue *Discipleship* Dietrich Bonhoeffer, John D. Godsey, Barbara Green, Geoffrey B. Kelly, 2003-05-28 Cheap grace is the mortal enemy of our church Our struggle today is for costly grace And with that sharp warning to his own church which was engaged in bitter conflict with the official nazified state church Dietrich Bonhoeffer began his book *Discipleship* formerly entitled *The Cost of Discipleship* Originally published in 1937 it soon became a classic exposition of what it means to follow Christ in a modern world beset by a dangerous and criminal government At its center stands an interpretation of the Sermon

on the Mount what Jesus demanded of his followers and how the life of discipleship is to be continued in all ages of the post resurrection church Every call of Jesus is a call to death Bonhoeffer wrote His own life ended in martyrdom on April 9 1945 Freshly translated from the German critical edition Discipleship provides a more accurate rendering of the text and extensive aids and commentary to clarify the meaning context and reception of this work and its attempt to resist the Nazi ideology then infecting German Christian churches *New Studies in Bonhoeffer's Ethics* William Jay Peck, Clifford J. Green, 1987 This study seeks to address the paradox that scholars have neglected the very work that Bonhoeffer hoped would be his crowning achievement his study of Christian ethics Concluding that the reason for this omission was not simple neglect but the uncertain state of the text contributing authors offer insights and solutions for the textual problems posed by Bonhoeffer's Ethics *The Cost of Discipleship* Bonhoeffer Dietrich, 2015-11-02 Perhaps Dietrich Bonhoeffer's most radical book this reading of the Sermon on the Mount has influenced many Christians throughout the world over the last 50 years
