Boyd, 2017-04-17 The Crucifixion of the Warrior God in an epic constructive investigation takes up the set of dramatic tensions between depictions of divinely sanctioned violence in Scripture and the message and life of peace of Jesus centering the New Testament Over two volumes author Gregory A Boyd argues that we must take seriously the full range of Scripture as inspired and the centrality of the crucified and risen Christ as the supreme revelation of God

The Victorious End-Time Church Justin Perry, 2020-09-21 Eschatology the study of end times and Pneumatology the study of the Holy Spirit are inseparably connected Jesus taught that the harvest is the end of the age see Matthew 13 39 Multitudes will come to salvation as the church walks in the power of the Holy Spirit see Acts 2 17 21 In this book you will receive answers to these and many more questions Does eschatology really matter Does the Bible really teach an end time harvest outpouring of the Holy Spirit and supernaturally empowered church How can believers thrive in the difficult days ahead What does Scripture actually teach about the antichrist the tribulation the rapture the Battle of Armageddon the millennium and eternity Where are we in the timeline of eschatology **Rapture or Tribulation** Richard W. Tow, 2022-04-04 We find ourselves in an hour that requires great spiritual preparation for the unique dynamics that are still ahead for the church Israel and the world as it is and will be I am thankful for any and every resource that gives courage to godly men and women to see where the world is going and embrace the unique role that the church serves this generation Therefore I am thankful for Richard Tow and his timely service to the body of Christ in laboring to produce this important book A generation of believers young and old are searching for biblical truth with depth on the subject of the return of Jesus because of the recent escalation of trouble and darkness I highly recommend that Richard's book be a priority for any searching for a clearer sense of the why behind the what of the timing of the Tribulation that precedes the Lord's return David Sliker President International House of Prayer University My friend and fellow minister for many years Richard Tow has written a must read book if you are interested in eschatology His comprehensive scholarly non dogmatic research of Scripture and the positions held on the Tribulation and the Rapture of the church leave it up to the individual reader to decide for him or herself which

view to espouse Rapture or Tribulation is the kindest most thorough book I have read on the topic Dr Loren Houlberg Professor Author and Regional Pastor for the Foursquare Church Ancient Paths Corey Russell,2012-11-06 There s always more What s to be learned from walking a well worn trail Much What s to be discovered by exploring a 2 000 year old story A lot Ancient Paths The Rediscovery of Delight in the Word of God is a prophetic call to return to the ancient paths of finding God through long and loving meditation In this urgent hour the Lord is calling a people to pull away from the busyness of our culture and learn to hear again through the word of God Revolutionary chapter topics include The crisis in the church with the Word How to go beyond knowing the Scriptures to actually hearing them Meditation and the Word Breaking Strongholds Messengers who eat the scroll In this critical moment God is drawing His people back to the source His word This alone will restore our souls our lives and our witness in the earth while awakening our ears to hear again *A Lifestyle of Divine Encounters* Patricia Bootsma,2018-04-17 In order to live out the fullness of God s destiny for us as believers it is imperative to engage in a vibrant life of prayer live a prophetic lifestyle and be one who engages in the Word of God *Huskey's Study Notes on Historical Theology* Michael Huskey,2020-10-08 My people are destroyed for a lack of knowledge Hosea 4 6 The modern church is in grave danger If you pay attention at all this is easy to see One of the reasons we are in grave danger is our lack of knowledge The late Dr R C Sproul once said Everyone is a theologian The danger here lies in that if we do not have a correct understanding of God and his attributes we will create an idol of who we would like God to be Scripture tells us to love God with our whole minds A study of church history and of theology will help us accomplish this What you will find within the pages of this study is an emphasis on theology and doctrine as it was forced to become razor sharp due to people making God into the god they idolized As you proceed through these chapters you will be faced with questions that will help you to learn how to think critically You will learn many of the attributes of God You will also learn Christology soteriology hermeneutics apologetics polemics and a number of other tools to help guide you into who the biblical God truly is
