Boomerang Part One Chapters:

Boomerang (Part One: Chapters 1 - 19) Noelle August, 2014-06-24 This is Part 1 of 3 chapters 1 19 It is not the whole book You can purchase the first two parts of Boomerang ahead of the release of the full length e book and paperback Welcome to Boomerang the hottest recent startup in the trendiest city Los Angeles CA Why Because the site offers no strings no fuss relationships for those on the rebound and those who crave connection without all the baggage of long term promises But that start up buzz is fading as Boomerang struggles to grow The solution Find two brilliant interns and give them a crack at launching the site into the stratosphere Enter Mia Galliano and Ethan Vance These young strangers Mia an aspiring filmmaker and Ethan at the end of a collegiate sports career are both bright and motivated And for very different reasons they re both hungry and up for the challenge But things go wrong from day one For one thing the night before their stint at Boomerang begins Ethan and Mia meet at a bar and fall into bed together What exactly happened between them Good question They re both hazy on the details But they do know how awkward it is when they end up sharing a post hookup taxi to the same place Boomerang headquarters There they find they re competing for just one job at a company with a strict no dating policy But their connection is as powerful as their ambition Will they manage to keep their eyes on the future and their hands off each other

Transnational Civil Society in Asia Simon Avenell, Akihiro Ogawa, 2021-07-22 This edited volume addresses how transnational interactions among civil society actors in Asia and its sub regions are helping to strengthen common democratic values and transform dominant processes of policymaking and corporate capitalism in the region The contributors conceive of transnational civil society networks as constructive vehicles for both informing and persuading governments and businesses to adopt modify or abandon certain policies or positions This volume investigates the role of such networks through a range of interdisciplinary approaches bringing together case studies on Asian transnationalism from South Southeast and Northeast Asia across four key themes local transformations and connections diaspora politics cross regional initiatives and networks and global actors and influences Chapters demonstrate how transnational civil society is connecting people in local communities across Asia in parallel to ongoing tensions between nation states and civil society By highlighting the grassroots regionalization emerging from ever intensifying information exchange between civil society actors across borders as well as concrete transnational initiatives uniting actors across Asia the volume advances the intellectual mandate of redefining Asia as a dynamic and interconnected formation Transnational Civil Society in Asia will appeal to students and scholars of international relations politics and Asian studies more broadly

Boomerangs, Aerodynamics and Motion Felix Hess, 1975 Published version of Ph D Thesis University of Groningen the work is divided into three parts the first deals with ethnographic evidence and a general discussion of the physical properties of boomerangs the second part with the aerodynamics of boomerangs by mathematical and experimental investigation the third part with the theoretical basis of motion involved in the movement of boomerangs in the first part the section dealing with ethnographic

evidence includes a discussion of types of Australian boomerangs the distribution the morphology and manufacture the throwing of boomerangs and the function of the objects in the past and today three further sections discuss the use of boomerangs outside Australia and this is concluded with a brief discussion of the origin of boomerangs an extensive bibliography on boomerangs ends this section the other two theoretical sections also contain bibliographies

Secrets from the Agatha Christie Archives Jared Cade, 2025-02-05 The untold story of how Agatha Christie conquered the serial market with her thrilling mysteries Dame Agatha Christie reigns supreme as the Queen of Crime Numerous books have been written about the legendary crime writer focusing on nearly every aspect of her craft But until now no one has carried out an in depth investigation into how she conquered the serial market with her thrilling tales of murder and intrigue In the UK and US Agatha Christie's work was serialized in the most prestigious magazines and newspapers of the day often under an array of different titles prior to being published by Collins and Dodd Mead and Company Second serial rights could result in a single title being syndicated to over 40 newspapers Over the decades numerous records have been lost or destroyed and keeping track of her literary legacy has proved a major challenge for her publishers literary agents and others until now Jared Cade author of the ground breaking biography *Agatha Christie and the Eleven Missing Days* has unearthed a huge plethora of hitherto unknown facts about the timeline of her publishing history that will delight her devotees and enable future generations to write about her work with far greater authority and accuracy than ever before especially when correlating her publications to the parallels in her life Illustrated with rare pictures *Secrets from the Agatha Christie Archives* is destined to become an essential reference tool for fans librarians scholars antiquarian booksellers broadcasters and others interested in the making of one of the 20th century's most beloved writers Jared Cade is an acknowledged authority on Christianna Crime Time

The Crescent of Gamma Phi Beta, 1908 *Globalizing Race* Dorian Bell, 2018-04-15 *Globalizing Race* explores how intersections between French antisemitism and imperialism shaped the development of European racial thought Ranging from the African misadventures of the antisemitic Marquis de Mor's to the Parisian novels and newspapers of late nineteenth century professional antisemites Dorian Bell argues that France's colonial expansion helped antisemitism take its modern racializing form and that conversely antisemitism influenced the elaboration of the imperial project itself *Globalizing Race* radiates from France to place authors like Guy de Maupassant and mile Zola into sustained relation with thinkers from across the ideological spectrum including Hannah Arendt Friedrich Nietzsche Frantz Fanon Karl Marx Max Horkheimer and Theodor Adorno Engaging with what has been called the spatial turn in social theory the book offers new tools for thinking about how racisms interact across space and time Among these is what Bell calls racial scalarity Race Bell argues did not just become globalized when European racism and antisemitism accompanied imperial penetration into the farthest reaches of the world Rather race became most thoroughly global as a method for constructing and negotiating the different scales national global etc necessary for the development of imperial capitalism As

France Europe and the world confront a rising tide of Islamophobia Globalizing Race also brings into fascinating focus how present day French responses to Muslim antisemitism hark back to older problematic modes of representing the European colonial periphery
